Sermon Keynotes Healing Power

"The Lord giveth wisdom: out of his mouth cometh knowledge and understanding." This declaration from Proverbs (2:6) is the Golden Text of the Lesson-Sermon on "Mind" in all Christian Science churches Sunday.

Christ Jesus' understanding and utilization of the power of God, Mind, to destroy error is shown in Matthew's account of the healing of the centurion's palsied servant.

In humility and trust he appealed to Jesus, "Lord, I am not worthy that thou shouldst come under my roof; but speak the word only, and my servant shall be healed." And Jesus said unto the centurion, Go thy way; and as thou hast believed, so be it done unto thee. And his servant was healed in the selfsame hour" (8:8, 13).

Mary Baker Eddy affirms in the Christian Science textbook, "Science and Health with Key to the Scriptures," "When man is governed by God, the ever-present Mind who understands all things, man knows that with God all things are possible. The only way to this living Truth, which heals the sick, is found in the Science of divine Mind as taught and demonstrated by Christ Jesus" (p. 180).
