Southwest's higher earnings are the difference between old-fashioned and modern saving

Do you keep up with the times? Then give your savings the same opportunity. And this opportunity lies in the insured protection of a Southwest Savings account. Generous returns added to your passbook every three months mean faster growth ... greater profits. No question about it, you're money ahead when you place your funds with Southwest Savings. And earnings start the 1st of the month on accounts opened by the 10th.
