PIPING TIP
If you have a choice of locations for a clothes washer, locate it as close as possible to the hot water tank, plumbing specialists advise. This will conserve your hot water and cut down on your piping.

COUNTY IMPROVEMENT NO. 2134-M NOTICE OF RECORDING OF DIAGRAM AND ASSESSMENT
Notice is hereby given that the Diagram and Assessment in the matter of County Improvement No. 2134-M (Brendo Avenue) of the County of Los Angeles, for the acquisition of rights of way for the reimbursement for a portion of the cost of existing sewers and the construction of sanitary sewers in the vicinity of Torrance, have been recorded in the Office of the County Engineer of the County of Los Angeles on the 26th day of August, 1960, and that all sums assessed in said Diagram and Assessment became due and payable upon the recording of said Diagram and Assessment, and that the payment of the sums is to be made to said County Engineer within thirty (30) days after the date of recording of the Diagram and Assessment, and if not paid within thirty (30) days thereafter, except for all unpaid assessments for which bonds are to be issued, shall become delinquent and thereupon, for all assessments unpaid for which bonds are not to be issued five (5) per cent of the amount of such such assessment shall be added thereto, and the property advertised for sale, as provided for by law.

Serial bonds shall be issued in accordance with Division 7, Streets and Highways Code, (Improvement Act of 1911), to represent each assessment of fifty dollars (\$50.00) more remaining unpaid for thirty (30) days after the date of recording of the Diagram and Assessment for this improvement. The serial bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the next September 1st following their date.
The principal sum shall become due and payable to the Treasurer in equal annual payments on each October 15th succeeding the September 1st following their date until fully paid.
The first interest payment shall be payable to the Treasurer on the April 15th next succeeding the March 1st or the October 15th next succeeding the September 1st, as the case may be, next following the date of the bonds. The following interest payments shall each be for six months interest and shall be payable to the Treasurer on each fifteenth day of April and October, the last interest payment coming due on the October 15th immediately thereafter. The last annual payment of the principal of the bonds issued to represent the unpaid assessment shall be payable to the Treasurer on the date of the maturity of the bonds. The bonds shall bear interest at a rate to be determined on the sale thereof, provided, however, that said rate shall not exceed the maximum rate of 6 per cent per annum.
JOHN A. LAMBE
County Engineer of the County of Los Angeles, State of California.
