

### Ground School Course Given

A Ground School Course for Private Pilots will begin Monday, Sept. 19 at 7 to 9 p.m. at South High School, 4801 Pacific Coast Highway.

Fred Ramer is the instructor. The course will include special emphasis on safety as well as radio procedure and the use of OMNI and navigation. Other FAA approved subjects will be covered. Special speakers, field trips and films have also been planned.

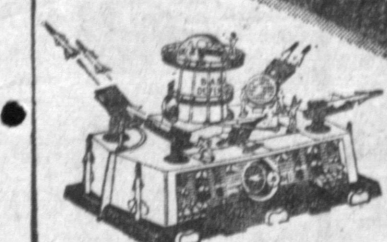

The cost of the course is 50 cents plus text material. No experience is necessary. For further information call Glenn Child at DA 6-5231.

A perfect taste-trio is iced tea served with honey and lemon juice.

### Company Produces Liquid Hydrogen

Linde Company, Division of Union Carbide Corporation, has announced that liquid hydrogen is now in full-scale production at its new Torrance plant.

Shipments totaling over 300,000 lbs. have already been delivered to West Coast missile development projects and liquid hydrogen distribution is now on a regular delivery schedule.

The Torrance plant is the first privately owned and operated facility to supply liquid hydrogen on a commercial basis.
