

Annual Designers' Show to Display Homemaker Ideas

"Avenues to the Decorative Arts" is the theme of the 11th Annual Decorators Show to run from Oct. 6 to 16, in the Pan Pacific Auditorium.

More than 200 interior designers of national reputation as well as leading manufacturers in the decorating field are expected to participate. Some 100,000 square feet of complete room settings for

home, office and garden will preview tomorrow's interior designs.

The West Coast event is sponsored by the National Society of Interior Designers, Inc., Southern California Chapter, national organization dedicated to upgrading the quality of settings for American homes and offices.

Among the show's highlights will be a festive charity

premiere Oct. 6 for the benefit of the Crippled Children's Guild of the Los Angeles Orthopaedic Hospital. Seventeen year old Kathy Kersh, Miss Los Angeles County of 1960, will serve as "Miss Interior Design of 1960."

Noteworthy exhibits include a special antique section devoted to old world art. Experts in period interiors will create appropriate set-

Local Firm Shows New Portable Unit to Cut Oil Costs

Horkey-Moore Associates of Torrance has completed a prototype portable oil decontamination unit designed to remove impurities from hydraulic and oil systems of aircraft, missiles and heavy duty industrial machinery, officials announced today.

Designated the Porta De-Con, the trailer-mounted unit was undertaken as a proprietary development with company funds.

Use of the Porta De-Con is planned to create direct savings by lowering oil and parts replacement costs, cut-

ting maintenance costs and requiring fewer skilled personnel for cleaning operations, E. J. Horkey, president of the Torrance firm, said.

Project engineers expect the unit to cut "down-time" on engines and machinery, indirectly cutting operating costs.

The portable unit was designed to clean and recharge oil and closed hydraulic systems in aircraft, missiles,

manually operated or automatic industrial systems.

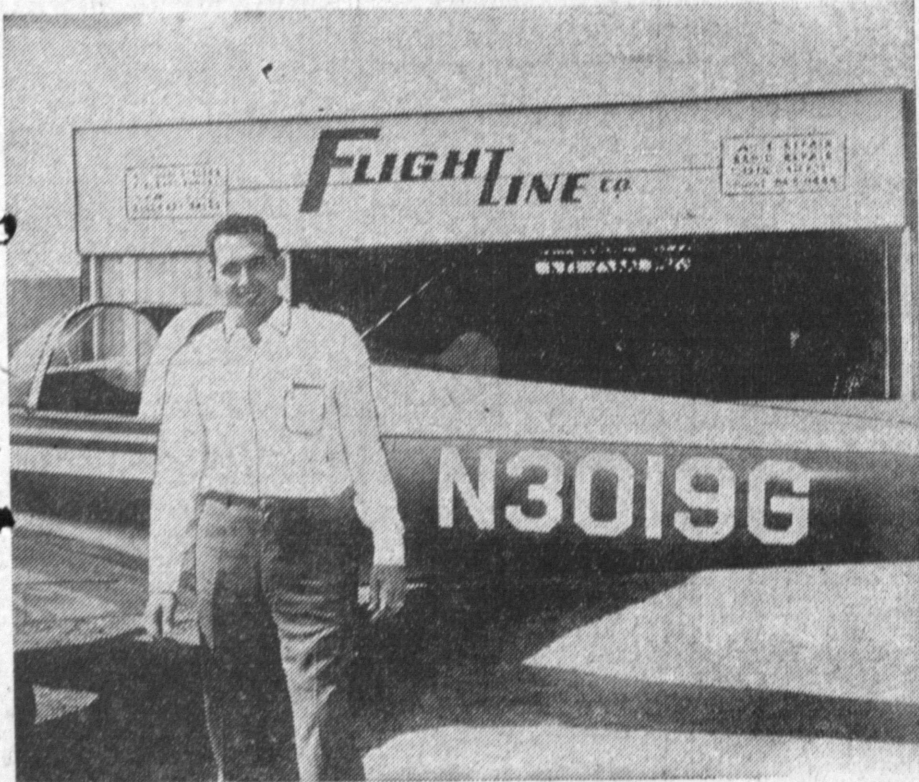

It will also deaerate closed hydraulic systems, dehydrate and remove solid particles from transformer dielectric oils.

Applied to heating equipment, the Porta De-Con will clean and dry burner oil, diesel, kerosene, stove oil and gasoline types of fuels and systems.

"MIX OR MATCH" Many home decorators advise that it isn't necessary to follow any fixed pattern in planning a home's decor. "Mix or Match" the decor, whichever pleases the most. It is wise, however, to use basic materials that will blend with any style of decoration, such as real ceramic floor and wall tile. It will blend, for example, with any decor and it's easy to keep clean.

"WHO'S WHO" BUSINESS INDEX

Now a primary course in aviation can be obtained for only \$88 at Flightline Company located at the Torrance Airport. Flightline is an approved flight school. ARCO BATTERIES MFG. CO.

"The sun never sets on ships that sail with Arco Batteries." This amazing statement is the slogan of the Arco Batteries Mfg. Co., located at 327 N. Harbor Blvd. in San Pedro, next to the Department of Motor Vehicles. Ronnie Ruhl, owner of the battery manufacturing company, established his firm in 1945, and since then he has branched out to include almost all kinds of automobile, commercial, and marine batteries. He has one of the largest stocks of foreign and domestic batteries, as well as motorcycle batteries. In addition to stocking and manufacturing batteries, Ruhl and his staff of four repair them. Because of their excellent and easily accessible location on Harbor Blvd., near the docks and ship yards, marine batteries have, of course, become their specialty. They build batteries for ship radio equipment, boats, fishing boats, yachts, etc. Ruhl, or his able assistant, Joseph T. Taylor, welcomes your battery problems for boat, or what-have you. See him at 327 N. Harbor Blvd., San Pedro, or call TE 3-2431.

SINALOA DRIVE-IN

If you want that favorite of yours: Tacos, Chili Verde and Burritos, then trek over to Sinaloa Drive-in and try the delicious Mexican food as only Chef Gill can serve. Enchiladas and home made tamales will certainly bring you back again. So sure is Gill that you will be satisfied that he will gladly exchange any item if you are not entirely satisfied.
