Washes all fabrics cleaner and safer. New filter fountain removes all lint. 6 washing cycles (3 on normal speed and 3 on slow speed) give you correct combination of wash and rinse speeds for regular and delicate fabrics. Only 30 gallons of water per load makes large water heaters unnecessary. 299.95

LIST VALUE

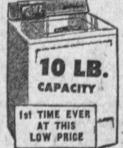

Just press a key, then turn the dial and you've set one of the special washing cycles. The rest is automatic as the laundromat selects the proper combination of wash times, water temperatures, rinses and spins for every single load. Your washing will come out exactly the way you want it . . . and YOUR CLOTHES WILL BE CLEANER! MODEL LAB-30.
