Don Spears is pictured above with his new and enlarged Television Dept. color and black and white plus Stereo Department. Don is no new member to the TV business. Many oldtimers remember Don's Radio Shop back in the 30's. Don is proud to announce the recent addition of RCA television line and General Electric TV to supplement the already fine job he has done with Packard Bell. Don will maintain about 60 sets including several color sets in his new department. He also maintains a TV Service Department to further accommodate television owners.

Above is a picture of the present home of the oldest Appliance Business in Gardena, Don Spears Appliances, a dealer for 30 years. Learn to think of Don Spears immediately, as many of your friends do, when you need an appliance or a T.V. Don has stood for fair and honest dealing throughout his business career, and always sells at a low price. Don invites you to his store to inspect and buy his fine merchandise during the huge Inventory Sale. While you are in the store, visit the thorough Service Department which repairs washers, dryers, refrigerators and televisions.
