

### Riyoko Ishii Wins Academic Honor

Riyoko Ishii, daughter of Mrs. Rika Ishii of 20833 S. Normandie St., Torrance, has been named to the Dean's List of the Rhode Island School of Design in Providence, R.I., for the second semester of the 1959-1960 academic year. She was one of 19 out of a total sophomore class of 189 to be so honored.

The Dean's List, which is issued at the beginning of each semester for the preceding semester, is made up of students who have distinguished themselves academically and in other ways at the college. About ten per cent of the student body is named to the List each semester.

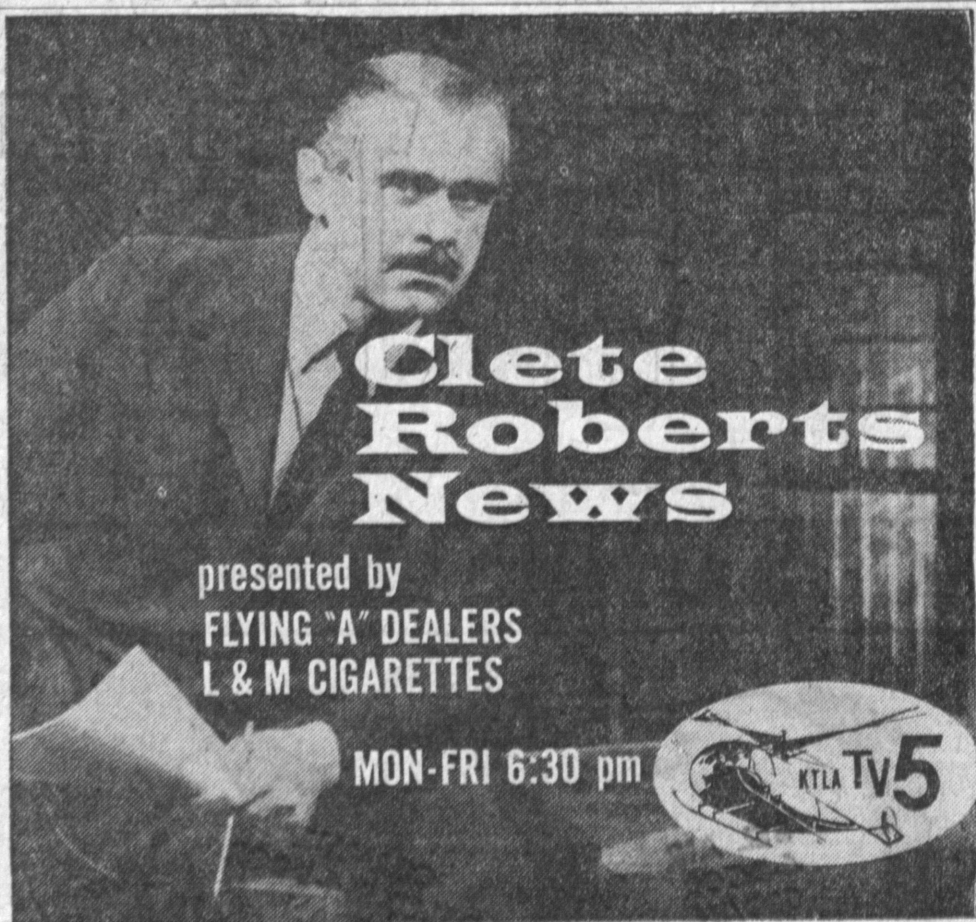

Miss Ishii is now in her junior year at R.I.S.D. and is majoring in Architecture.

The college has an enrollment of 825 students and offers bachelor's degrees in fine arts, art education, architecture, landscape architecture and a master's degree in art education, painting and sculpture. Students from twenty-seven states and six foreign countries are currently enrolled at the college.

A HAPPY WELCOME—Was received by Governor Mark Hatfield from Miss Judy Scott, center, El Camino student, when he and Mrs. Hatfield attended the meeting of

the National Federation of Republican Women for the Palos Verdes and 17th District. Governor spoke on "Peace, the main issue of the coming election."
