AUSTIN AND WEHRHAN NEEDED AT SC OR UCLA NEXT YEAR

It was the first time both schools met in regular league play, and the contest was a thriller from opening whistle to final gun. North High, because of its previous record this year, was favored by one TD to take the visitors from the south part of Torrance. .

The Saxons didn't win, they were tied by the Spartans last Friday night at North High Stadium. And this reporter can give you two good reasons for South's rise to this scholastic challenge -- Joe Austin and Bob Wehrhan, two decidedly excellent backs who rate the roster of the Trojans or Bruins come football season 1961.

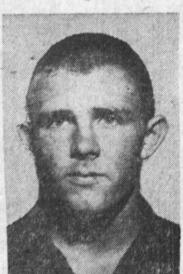

Bob Shoup of the Saxons tried to defense against these "Twins" who remind you of two excollegiates who stunned the country in years gone by as "Mr. Inside" and "Mr. Outside." Austin and Wehrhan go farther than Davis and Blanchard-they pile up yardage in every conceivable way possible in the game of football.

Tartars After Lead, North Favored, Spartans Underdog

Morningside Tough

By JOE DIXON Press Football Writer

In their first afternoon engagement of the season, the Spartans from South High hope to notch their first Bay League victory when they go up against a highly favored Morningside crew at 2:30 p.m. at Torrance High Stadium to-

Earlier in the fall Morningside tripped up North and came back last week to give Inglewood a 38-23 pasting. With a league record of 3-0, Morningside now shares first place with Redondo.

Not having won a game since their first victory against Dominguez, the Spartans proved last week, against the Saxons, that they rate an outside chance of upsetting the visitors. Except for a week defense in the first gridders came right back in the second stanza to hold a potent North offense score-

Pontiac announces the Trophy V-8 Engine

NEW PRECISION AND ECONOMY IN THE ENGINE ROOM OF THE '61 PONTIACI

A completely new fuel induction system gives this new free-breathing V-8 more air . . . to save you gas. Closer calibration of this big 389-cubicinch engine gives you maximum thrust at halfthrottle without over-carbureting.

We made the engine lighter; mounted it lower for better balance. An oil refill now takes only 4 quarts. Tailor your Pontiac power plant to

your needs. There are 11 versions to choose from. Horsepowers range from 215 to 348. (For best economy, specify the Trophy Economy V-8. Its lower compression lets you use regular gas.)

If this sounds a bit technical, just try a new Trophy engine soon. It's in all four Pontiac series. In one block, it will become clear why we've called this '61 . . . all Pontiac!
