

SHORTEST TIME

The president who served the shortest time in office was William Henry Harrison, who died on month after his inauguration. But World Book Encyclopedia says David Rice Atchison, a senate president, is supposed to have served as acting president for one day. That was March 4, 1849, a Sunday — and Zachary Taylor refused to be inaugurated on the Sabbath.

Moose Lodge Aids Kom I-Ai Tribe

The Moose Lodge, 785, and the women of the Moose, chapter 44, are sponsoring a drive to aid members of the Kom I-Ai Tribe who live in the mountains of Mexico. The tribe who live in the mountains is dying from malnutrition, stated a Moose Lodge spokesman, and is in need of food and clothing. All garden tools, seeds,

clothing food staples and household articles are needed. Electrical appliances are of no use to these humble needy people. Just plain clothing that is clean and good food is what is needed.

For pick-up of goods and clothing, please call Lois Britt, FA 8-6491 or Elsie Smith, FA 8-0678.

Articles may be delivered to Mrs. Britt at 2116 Gramercy Pl. or to Mrs. Smith at 1325 Engracia Ave.

SELECTING SHRUBS

In selecting shrubs for the hedge, you must first determine what need they will fill.

Do you seek privacy from the stares of neighbors or passerby? Do you want a Neighborly hedge that merely

marks the boundary between your garden and the next? Do you desire the formality of which only a sheared row of

shrubs can give? Only when you decide this can you get down to picking and choosing.
