

# LET'S GO BOWLING

With Darlene Cope

Your reporter would like to wish all of you a very happy Thanksgiving today. Gable House hopes each of you lucky "Turkey Shoot" winners enjoy the bird you won. There will be no leagues nor class today but there will be open bowling to work off that big delicious dinner. For you readers who are eating out, Gable has planned from noon to nine a holiday dinner in the Rik-Sha Buffet Room.

The dinner of ham, turkey, pumpkin pie and all the trimmings will be only \$2.25 for adults and 50 cents for children. Come over and spend your day at Gable House.

Gable wishes to congratulate its new Grandma. Mrs. Violet Howard's daughter last weekend gave birth to a bouncing 7-lb., 4-oz. boy. This new baby boy is named Thomas Christopher Brown. Mrs. Howard is the loved "teacher" in the nursery. She takes care of each child as if he were her own. She also decorates the fully equipped nursery for every special holiday. It is so nice to see someone take such an interest in our children.

Jerry Homel made the announcement that a meeting for members of the Gable House Bowl Association will be held Monday evening, Nov. 28, at 7 o'clock in the Banquet Room. This initial meeting will be for members and their friends who might like to look on. Jefferson Bowl has an association of this sort for the whole family where members plan bowling parties, special tournaments, occasion parties and many other functions. Attend this meeting and find out more of the details.

It is about time some mention was made about the engineer in charge of maintenance for Gable House, Joe Smith. Joe, with the help of his crew, sees that all lanes, approaches, and bowling equipment are in proper working order. Joe has been bowling for many years and at one time carried a 206 average. He now bowls in the Jefferson Bowl Scratch Major League where last week he bowled a 225, 209, 205 for a 649 scratch series. His average is around a 183 now. Joe, as well as Arnie Sherrill, are good at helping you bowlers with individual problems. They both have attended the Buddy Bomar Instructors School.

Gable House plans to have a special feature at the Moonlight Bowl Saturday at midnight, Dec. 3. The 50 year and over club will bowl on this evening, so here's your chance to see bowlers from 50 to 80 years old show their bowling prowess.

Local residents who did not have their fill of voting in the presidential elections earlier this month may cast one more ballot in the current "Miss All Star" competition. Contenders in the popular contest are Eileen Maxwell, representing Gable House Bowl, and Linda Glass from South Bay Bowl.

Winner will represent this area in the Southern California regionals in December. Winner will compete in finals scheduled for mid-December.

No estimate of votes cast already is yet available. Sealed ballots will be opened and counted next week.

## New Slim Trim Classes Offered

Two new slim-trim classes for women have been started at the Walteria and McMaster Parks, according to the Torrance Recreation Department.

The Walteria group, which has a class for tots over 3 years, meets Wednesdays at 8:30 a.m. The McMaster session meets Wednesdays at 1 p.m. for volleyball and exercise.

There is no fee for either class. Walteria Park is at 3855 W. 242nd St., while McMaster is at 3624 W. Artesia Blvd.

## Her secret IS SAFE with us!

Contact lenses have come a long way since they were first introduced to the human eye. Now—so comfortable, so undetectable—contact lenses are for just about anybody: the self-conscious teen-ager, hating to admit she needs glasses... the society miss who feels that conventional glasses subtract from her youthful charm... the man or woman afflicted with forgetfulness who too often leaves their regular glasses at home. Whatever your reason for being interested, come in and see what Science has done about contact lenses to make them wonderful to wear.

PUTT-PUTT-ERS—Mayor Albert Isen tries out the newly opened Putt-Putt golf course, 20535 Hawthorne Blvd., under the critical eyes of Manager John LaFata and Owner Sam LaFata. The father and son team have

opened the first local Putt-Putt course and report that the new sport has "caught on" with Torrance sportsmen. Some 330 courses will be operating across the country within the next year.

## Membership In YWCA Growing

Membership in the Torrance YWCA is increasing in a satisfactory manner, stated a Y spokesman today. All members are urged to send in their dues as soon as possible, she further said. The YWCA located at 2330 W. Carson St. is being organized for chartership. On December 7, an electors meeting will be held and all members are urged to attend.

## MORE ROOM

You can seat more people in a small room by building a long banquette seat along an entire wall. It can be easily built of sturdy Douglas fir which is stained or finished naturally. Cushions can be custommade to fit.

## MISPLANTING

Few areas of the home garden suffer more from misplanting than that which skirts the foundation of the home. Drive through any established neighborhood and you can see this for yourself. It's a rare block that doesn't have several homes half hidden by their foundation shrubbery.

**IMPORTANT ELEMENT**  
The most important element in any dining room is its atmosphere, the kind of atmosphere that makes meal-time an event and the kind that invites you to linger over after-dinner coffee.

**ONE ADVANTAGE**  
One advantage of using roughsawn siding for wall paneling inside the home is that it will not show nicks and scuffs. This is true when saw-textured Douglas fir or western red cedar is used.

**SAME HOME**  
No two families want the identically same home. The same family that will buy an automobile just like the neighbor's wouldn't think of building a home even remotely like another's.

# WHY . . . ?

Why Do So Many People Buy Their Camera Equipment at "TRY-IT CAMERA" . . .

**BECAUSE.**  
THESE DAYS PEOPLE MUST RECOGNIZE A TRUE VALUE. AT TRY-IT YOU DON'T NEED A SO-CALLED "MEMBERSHIP CARD" TO GET A LOW, LOW PRICE.
