

# Victory Bell Peals Score at Lasuen High School Games

BELL RINGERS—Poised to defend their victory bell, which is one of the colorful traditions taking shape at Fermin Lasuen High School for Boys, are members of the Padres' aggressive football team John Molloy, center, and Ronny Hixson, center, both of Torrance.

## Colorful New Tradition For New High School

A brand new tradition at a brand new school got off to a resounding start this week when the Victory Bell at Fermin Lasuen High School rang in the Camino Real League Bee championship for the Padres.

Now in its second year with a fast growing and spirited student body Fermin Lasuen is evolving a set of traditions which are being fervently adopted and proudly maintained by the enrollees from nine harbor and peninsula area communities and which will be handed on as a heritage to generations of boys.

Prime example is the historic old church bell which was presented to the school by Rev. Father George M. Gallagher, pastor of Holy Trinity Church. Immediately tabbed the Victory Bell it has been mounted on a rubber tired carriage, enamelled in the cardinal and gold school colors, monogrammed with the school letters and become part of the life and legend at Lasuen.

## Wage Contract Negotiations With Two Local Refineries Under Way

Negotiations between South Bay Local 1-547, Oil, Chemical and Atomic Workers International Union and two of the major oil refineries in the South Bay area, Standard Oil of Calif. and Mobil Oil, Inc., have entered into the second month. Issue is a seven dollar and twenty cent a week general wage increase, representatives of both sides announced.

Union bases its request for this wage adjustment on increases in cost of living and increases in the productivity of workers.

Since the last wage increase for oil workers, the cost of living has gone up two percent as measured by the Bureau of Labor Statistics. An increase of about 6 cents an hour would be necessary to offset this.

Union is asking for an additional 11 cents per hour as a share in the increased productivity of wage earners. Output per man hour of labor has gone up at a yearly rate

of about 3 1/2 percent in the U.S. economy as a whole and at the yearly rate of about 4 1/2 percent in the oil industry.

Latest financial reports for both companies show profits have substantially increased since the last wage increase was granted almost two years ago, Union officials stated.

Contract termination date is about January 8, 1961, for both companies.

Standard Oil of Indiana has made a 5% general wage increase offer for a two year contract, but no offer has been made on the West Coast by Standard Oil of California.

### HOW DO YOU FEEL?

Of 1,000 apparently healthy executives examined at the University of Pennsylvania Medical School, 600 had unsuspected diseases. About 300 suffered from ailments which could cause death or disability, but could be traced successfully if caught early.

## Padres Rack Up Undefeated Season With 32-12 Victory Over Knights

A fired up Lasuen Padres made it five in a row swept undefeated to the Camino Real League Bee championship when they rocketed over Bishop Montgomery's hard fighting Knights 32-12 Friday night at Daniels Field.

Captained by Tim Foley of Miraleste and Dick Nagpood of Lomita, the Padres set a jet propelled pace in the first quarter that had the fans on their feet wondering why they paid out good money to see the pros. Flashy Tom Di Leva tallied first with the boot off Cortez' golden toe putting the Padres in front 7-0. Jerry Kaloper's bullet pass to Greg Gannam paid off. Seconds later Foley, the Lasten Express, chugged his pay load down the track for 95 yards and set an unofficial Daniels Field record for distance. In the next two minutes Montgomery's Pete Mitchell returned the Lasuen kick-off for 89 yards and shaded Foley's mark.

### 26-12 AT HALF

Foley scored again with Lohan providing the PAT and the Knights clicked on a pass that wound up the first half of the tournament 26-12. Foley's 16 yard trip in the third period made it a sure thing for the Padres.

Spotters and reporters on

the scene said that for the clincher game Coppa and Sysak looked good in defensive line play with Foley in the backfield outstanding in both offense and defense. Both Kaloper and Frelkin, who substituted for first string quarterback Pete Sturdivant, sidelined with a shoulder injury, got the nod for their efforts to take the place of the tall blonde sophomore from Rolling Hills who has masterminded Lasuen's strategy to the championship.

Team statistician Bill Suleator noted 324 yards gained against Montgomery with Foley accounting for 137 yards. Top scorer for the year is Foley with 14 TD's followed by Sturdivant and Di Leva. The Padres record shows five straight league wins with seven wins for the season and one loss. The cardinal and gold squad averaged 37 points a game against opponents 8.

### STOP VIBRATION

What can be done to stop vibration and noise in water pipes?

This condition is known as water hammer. It may be alleviated by attaching a short, vertical length of pipe above the main feed line. Cap the extension and insert a "T" fitting either in the horizontal supply line or in place of an existing elbow fitting. Air in the extra pipe acts as a cushion for the back surge that occurs when the water is turned off. This cushion of compressed air prevents jarring in the line.

### SECRETARY'S JOB

A secretary's job isn't complicated if she looks like a woman, thinks like a man, and works like a horse.

## Hike in Chest Donations Noted In Torrance Area

Torrance Community Chest officials this week reported that the average donor in this donation in the current campaign.

United Way campaigners reported that the percentage hike over the previous years is approximately 15 percent in all areas of the drive. More agencies are now participating in the United Way appeal and the expanding population in the greater Los Angeles area is also placing great pressure in older agencies.

### NEEDED INCREASE

Harold Frenz, chairman for the city of Torrance, said of the gifts, "We must get this increase if we are going to make our goal here in Torrance. I am looking forward to a similar generous response from other donors in the Torrance area. I think the average businessman is especially appreciative of the job the Chest does and the importance of supporting 170 separate agencies in one campaign."

Torrance goal for the Chest appeal is \$32,046. Latest figures show Torrance at about 50 percent of goal, or \$15,046, according to Chest officials.

## Four SHS Grid Stars to Guest Aboard Cutter

Officers of the Coast Guard Cutter 'Minnetonka' sponsored four South High School grid athletes at the CG procurement dinner in Los Angeles Monday evening.

Commander Otto Graham, who has just completed his second season as head football coach at the Coast Guard academy was, principal speaker of the evening. Joe Austin, Bob Wehrhan, Rocky Manning and Mike Andrews were selected to attend the dinner by officers of the 'Minnetonka' on the basis of football and academic season records.

Commander E. D. Scheiderer, commanding officer of 'Minnetonka' has extended an invitation to four local youths to be guests of officers of the ship on a one day cruise in December.
