Conference Set For Parents of SH Seniors

A "coffee cups" conference for parents of college bound students is slated from 8:30 to 10 a.m. this morning at South High School, Torrance, according to Principal John Lucas.

Conference, designed for parents of students who plan to attend four-year colleges, will feature "how to" advise on various phases of pre-college planning. Discussions will include problems of applying to colleges, taking tests, and other problems.

A conference for parents of students who plan to attend junior colleges is slated later this year, Lucas said, since a different set of problems is involved in some areas.

A district-wide "College Advisement Night," with advise for both students and parents is planned next month. It will be at night, with college representatives attending.

Board Approves HS Tourney for Rose Float Fund

Participation of Torrance's three high school basketball teams in a round robin basketball tourney with Bishop Montgomery High School was approved Tuesday night by the Board of Education.

The proposed tourney will be held in the South High gym on Friday, Dec. 23. In the tourney, the school district will cooperate with the Chamber of Commerce to help raise funds for the city's entry in the Jan. 1 Tournament of Roses Parade.

The board was told that under the proposal, each of the four teams would play each of the others, making a total of three games for each school.

The 93-piece Torrance All-Star High School Band, which will march in the Rose Parade, will perform for spectators at half-time.
