## Couple Celebrates Golden Anniversary

Mr. and Mrs. Godfrey Nelson of 1344 W. Carson, Torrance, celebrated their 50th wedding anniversary Sunday, June 25, with an open house at the home of their daughter and son-in-law, Mr. and Mrs. Anthony Naiden, College Highway, Southwick, Mass.

More than 150 guests were present from many parts of Massachusetts, Connecticut, Florida and New York. The couple received many lovely gifts as well as money. The couple was married in Cheshire, Mass., by J. H. E. Richard, Methodist minister there. They met in Pittsfield at the General Electric Plant, where Nelson was employed in the tool department and Mrs. Nelson as a stenographer and time-keeper in the Heating Device department.

### BEFORE MOVE

They lived in Pittsfield and Springfield for many years before coming to Southwick, where they built a home which they still own and where they lived for 18 years prior to coming to Torrance four years ago.

They have one daughter, Mrs. Anthony Naiden, at whose home the party was given, and two grandsons, Jonathan, a student at Cal. Polytech in Pomona and Peter in high school in Southwick.

### 27 YEARS EMPLOYMENT

Nelson was employed at the U.S. Army in Springfield for 27 years, retiring in 1953, and is now employed at Harvey Aluminum Co. in Torrance.

Mrs. Nelson was librarian in Southwick Public Library, past president of Southwick Woman's Club, treasurer of the DAR and Southwick Grange at the time she left for California.

### ACTIVE

Since coming to California, both have been active in local organizations: Mrs. Nelson in the Torrance Woman's Club, where she has been drama chairman for three years and recording secretary and publicity chairman.

Both are members of the Torrance Tournament of Roses Association, Harbor Pomona Grange, Gardena Fuchsia Society. Nelson is a member of Al Malaikah Shrine in Los Angeles, and the South Bay Shrine Club.

### MILKY VIEW

A telescopic view of the Milky Way stretching from one horizon to the other is featured in "Man's Place in the Universe," the current show at Griffith Park Observatory's planetarium theater, it was reported yesterday by the Los Angeles City Recreation and Park Department.

## Women Join Junior Court

Pacific Ocean Park, and nearby missions are among activities of the girls.

### ACTIVITIES

The Juniors, are active from September through June. Newly elected officers to be installed this coming September are the Misses Paulette Kleber, president; Mary Lou Rehfuess, vice-president; Patricia Raso, secretary and Linda Ste. Marie, reporter.

Members of the Junior Council board are the Mmes. Richard Abshear, Jr. chairman; Roger Ste. Marie, Jr. vice-chairman; Stacy Rodman, secretary; Richard Wurm, Jr., treasurer; Norman Dupont, Junorette chairman; and troop counselors Robert Ryan, Walter Figueroa, and James Thomas Morgan.

Ex-officio members of the Junior board, who have voice but no vote, are the Jr. Ct. Chaplain Fr. Joseph Lluent, assistant at St. James, Redondo Beach, and the grand regent and vice-grand regent of the Senior Court Our Lady of Victory 1344 Mmes. Wesley Muzik and Laura Dupont.

### ROSES THROUGH FALL

Roses through fall are possible in California, but the gardener should take care now to insure that he will have them. Summer feeding—a handful of Rose food once a month, worked in around each shrub—will supply the nourishment to keep bloom going.

Regular watering and keeping faded blooms picked are also needed. Your spray program should be adhered to faithfully to keep plants in good health.
