

## Employees Celebrate Hospital's Anniversary

South Bay Hospital employees will celebrate the hospital's first-year anniversary August 2 at a buffet dinner at the hospital sponsored by South Bay Hospital Auxiliary. It was announced by hospital spokesmen.

Miss Martha Agan, medical record librarian and anniversary committee chairman, said approximately 250 employees and guests from the auxiliary, medical staff and board of directors are expected to attend the informal dinner in a patio area behind the hospital from 4:30 to 6 p.m.

Mark Wood, board of directors president, will make a

brief address to employees, citing the hospital's first-year activity and future plans.

The 150-bed hospital, at Prospect Ave. and Diamond St., Redondo Beach, opened its doors a year ago August 2.

The \$4-million medical facility has been entirely financed by public funds, 1.5 million of which has come from local bond funds voted by voters in the South Bay Hospital District in 1955.

With Miss Agan on the anniversary committee are Miss Mary L. Smull, hospital director of food services, and Miss Florice Barnum, hospital pharmacist.

## Director Attends 4-Day Institute

Dr. William Harless, director of instruction at El Camino College, will attend a four-day institute for college and university administrators on studies of college faculty.

The institute will deal with research on problems of motivation, recruitment, and morale of faculty and with studies of teaching load, faculty evaluation, and faculty participation in college and university administration.

The institute will be co-sponsored by the Center for the Study of Higher Education, University of California, Berkeley, and the Western Interstate Commission for Higher Education, Boulder, Colorado; it will be held on the Berkeley campus of the University of California July 31-August 4.

## Local Youths Attend Camp

National Division 13 All-Star team defeated the Pacific American All-Stars, 2 to 1, Sunday to win the district championship. The champions will journey to Santa Fe Springs Saturday, July 29 to compete for the Southern California championship.

Winning team had defeated La Mirada 5 to 4, and Compton 6 to 3 prior to their Sunday victory.

Major All-Star teams were defeated in close, well played games Saturday. National division majors were beaten by North Torrance West 1 to 0. American division team were also shut out by the North Torrance East All-Stars 2 to 0.

American division thirteen year old All-Star team was defeated in their third game by the Pacific American team.

**SCIENTISTS HONORED** — Four Torrance area residents, scientists at Shell Chemical Company's Torrance rubber plant, accept certificates of award from the Los Angeles City and County Schools for their participation in the 1960-61 industry-education program. Shown are, left to right: A. D. McIntyre, 4615 Carson St.; David F. Randolph,

program coordinator for the school system, who presented the awards; J. T. Harlan Jr., 5310 Calle di Ricardo; S. J. McCowan, 1742 Martina Ave.; and J. D. Lauch, Lomita. The four were among 15 Shell scientists who lectured to high school science classes during the year.

## Optimist Members Donate Materials for Playground

The Los Angeles City Recreation and Park Commission recently accepted, and directed that a letter of appreciation be sent to the donor, the gift of tools and other material donated by the Optimist Club of Wilmington and which will be used to equip a crafts room at Wilmington Playground, 325 Neptune Avenue, in the 15th District, represented by Councilman John S. Gibson Jr.

The tools and other material for the Wilmington Playground crafts room will con-

stitute a memorial to the late Ray Newland, past president of the Optimist Club of Wilmington. Mr. Newland was "vitaly interested and active in boys work programs we sponsor at Wilmington Playground," it was pointed out by Everett H. Wager, the organization's current president.

### TREE SEEDS

The Douglas fir seed, which produces one of the earth's largest living things, takes 40,000 to make a pound.

### NEVER SATISFIED

Eight home owners out of every ten report in a nationwide survey that they will do some remodeling of their homes in the next year. Among projects planned are wood deck patios, built-in bookcases, new wall paneling in popular softwoods, new carpet, enclosed carport, add a room, remodel basement and attic.
