

Dollar Polio Inoculation Program Will Continue During Coming Week In Torrance

Dollar polio vaccine shots will be administered at three different locations in Torrance during the coming week, it was reported yesterday by local March of Dimes officials.

On August 9, 2-3 p.m. and 7-8 p.m., the inoculations will be given at the Bain Medical Clinic, 2093 Torrance Blvd. Sponsors of the program are members of the medical staff of the clinic and Dr. Martin F. Bain will serve as chairman.

On Friday, August 11, the shots will be given from 12:30 to 2:30 p.m. at Von's Market, 5035 W. Pacific Coast Highway. Sponsors will be members of the Community Volunteers, while Mrs. Lester Morley will serve as chair-

man of the project.

On Saturday, August 12, the inoculation program will be carried on at the J.C. Penney Store, Del Amo Center, from 11 a.m. to 2 p.m. Sponsors of the program are the Torrance Junior Chamber of Commerce and chairman will be Doug Hedde.

Last year children under ten years of age accounted for 60 per cent of all paralytic polio cases in Los Angeles County, it was pointed out. Three properly spaced shots are needed for complete protection, with annual booster shots recommended.

March of Dimes officials declared that with the stepped-up inoculation program now underway, intervals between

inoculations should be two weeks between the first two injections, with the third administered four weeks later.

They pointed out that the new oral Sabin vaccine will not be generally available in time to combat polio during the approaching polio season, but that there is no shortage of the effective Salk vaccine, developed through March of Dimes funds.

PRODUCTION RISING

Factory production during the next 12 months is expected to increase to a level 15 percent higher than that of the first quarter of 1961, according to business research experts at The B. F. Goodrich Company.

Name Electronics Engineer To Estey Company's Staff

Fred G. Krueger, inventor of the "Krueger String Bass" for organs, has been named consultant electronic engineer at Estey Electronics, Inc., it was announced here this week by Stanley Green, president.

Krueger will develop and design electronic musical instruments for Estey, the oldest organ manufacturer in the country.

"Krueger String Bass" organ accessory, which Krueger introduced in 1956, was the first organ device using transistors.

Prior to joining Estey in 1959, Krueger was associated with United Precisioners, Inc., as consultant on the design of the Polaris missile, designed radio telephone equipment for Mobilphone Co., and worked in research and development of "Speed and Range" computers, Guided Missile Division, Raytheon. He has also been associated with the Thomas Organ Co. and Hammond Organ Co.

Slate Showing Of Film Depicting Communist Gain

Torrance Police Association will show two films at McMaster's Hall, Artesia Boulevard at Yukon Avenue, tomorrow evening. Teenagers and adults are invited to join with the North Torrance Civic Improvement Association in viewing the films, "Operation Abolition" and "Accent On Youth." Show starts at 8 p.m. Refreshments will be served after the show. Admission free.

Primitive Art To Be Shown On August 6

A wide-ranging collection of primitive art will be on view at the Palos Verdes Art Gallery Sunday, August 6 through the month of August.

Over one hundred examples of Oceanic, African Negro and American Indian Arts, loaned by Mr. and Mrs. Ralph C. Altman of the Gallery, La Cienega Blvd., Los Angeles, comprise this unusual exhibit.

A tea is being held by the Palos Verdes Community Arts Association on Sunday, August 6 from 3 to 5 p.m. at the Library Gallery to which the public is invited.

To be shown are: a Nias Island, Indonesia carved statue, representing the spirit of a mythical ancestor and regarded as the embodiment of supernatural power, protecting his descendants and linking the living with the realm of the gods; a horse and rider from the Senofo tribe of the Ivory Coast of Africa; a fetish figure from the Congo; a leopard mask from Mexico; and "Eototo," an Arizona Hopi Indian Kachina doll in white dress and fur ruff, mix with objects from Nigeria, Sudan, Pakistan, British Columbia, Alaska and the Camerons to bring a comprehensive view of primitive art throughout the world.

INSTANT WAREHOUSE
"Air houses" that can be erected in two days and deflated and moved in a few hours are being used by the B. F. Goodrich Company for low cost warehousing of tires in Los Angeles.

MOTHER-DAUGHTER PICNIC — Getting ready for a mother-daughter picnic to be held on Wednesday, Aug. 9, 1-3 p.m. at Torrance Park are Linda, Donna, and Mrs. R. C. Anderson. Sponsored by the Torrance Recreation Department, the event will feature entertainment, contests, and refreshments. Mothers and daughters will dress alike.
