Cabrillo's Speedy Says:

My wife sketches her impressions of "how hard I work." The "it's just a hobby, she comes up with some car that lightens my life. For instance..."

"THE ONLY THING IN MY CAR THAT'S STILL RUNNING RIGHT IS THE CLOCK!"

"WELL, THEN, YOU CAN TELL IT'S TIME TO GET DOWN TO CABRILLO MOTORS!"

AND SELECT ONE OF THEIR FINE NEW CARS... THEY'RE THE FINEST OBTAINABLE!

Regardless of Ginger's wit, she kicks up some good suggestions, such as "Why don't I push the Comet 5-22 since it's a real Compact Fun Fiesta. It is too. It's a real family sport model that appeals to the women... thick, comfy bucket seats, inside or out it's a California style beauty and an easy handling pleasure. We have a few left in our year-end clearance that we will demonstrate from your home or our showroom. Give us a call, hmmm?"

 Nine 1961 Executive Cars (Plymouth and Valiants) to be sold at Cost This Week-end Only

Cabrillo's Speedy Says:

1962 cars will be introduced early this year. Since we hadn't expected this, we ordered too many 1961 models. We have to clear out all our new Comets and Mercurys plus demonstrators and a few cars used by our executive staff. Present selection of two toning plus styled interiors is choice... A highlight is a group of bucket seat sport model compacts. They are "A Real Compact Fun Fiesta."
