LONG WAY DOWN—Height is no problem to these Acapulco cliff divers who earn their living by defying death. When Master Diver Raul Garcia and proteges Alfonso Apac, 33, and Manuel Garcia, 28, (left to right) climbed atop Pacific Ocean Park's Skyride tower for this photo, P.O.P.'s switchboard was swamped with calls from worried beach residents.

Season Deferred While All-Stars Finish Stint

Tordondo major teams resumed play this week to finish out their season, delayed because of the All-Star drive to the final round in the district tournament.

Senators out slugged the Cubs 9 to 5 with a winning battery of Frankie Stewart and Joe Sullivan.

Losing battery, Bill Bergeron with Tom Fisher and Wayne Blackburn sharing the catching. Dave Mosely hit a home run for the Senators while Bergeron, the heavy hitting losing pitcher, put one over the fence for the Cubs.

Stars won two by beating the Beavers 15 to 8, and the Athletics 23 to 17. Larry Thomas went the distance against the Beavers. Corky Arneson, David Giland and Val Shaver had hot bats for the Stars.

MORE PER HOUR
According to the American Dairy Association, in 1960 a factory worker was getting a great deal more food for an hour of his work than in 1947. For example, in 1960, an hour of factory labor, on the average, would buy 8.1 quarts of milk as against 6.5 quarts in the previous period. And it would buy 2.5 pounds of choice grade beef, up from 1.9 pounds.

Champ To Enter Midget Classic

A. J. Foyt, America's No. 1 auto racing attraction, makes his second Southern California appearance since winning the 1961 Indianapolis 500-miler at Ascot Park in a 40-lap USAC national championship midget auto race Saturday night, Aug. 12.

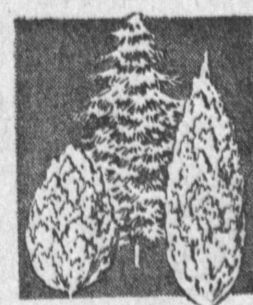

This was announced today by promoter J. C. Agajanian. Foyt has proved virtually unbeatable in the Southland and will be shooting for his fifth consecutive USAC championship event victory in the West. His most recent was last Saturday night in San Bernardino. Once again he is making a special air trip west for the Ascot race.

The 26-year-old Houston driver, who also captured the 1960 United States Auto Club big car national driving crown, will face a field of some 40 top USAC speedsters from the West Coast, many of them Indianapolis veterans.

Foyt has taken a particular liking to the half-mile Ascot speedway in Gardena. He won three of his last five races there, finishing second in a photo finish in another.

Once again he'll drive the Bowes Seal Fast Special for Jack London of Oakland.
