Authority on Communism to Lecture at Torrance High

Dr. Fred Schwartz, author of "You Can Trust A Communist" will speak Friday, August 18, 1961 at Torrance High School Auditorium. The meeting will start at 8 p.m. There will be no admission charge and it is open to the public.

This meeting is being sponsored by the local Citizens' Committee in Association with the Christian Anti-Communist Crusade. Mr. George Fehland, chairman of the Torrance Local Citizens' Committee said this meeting is being held to stimulate inter-

est in the Southern California School of Anti-Communism being held in the Los Angeles Sports Arena the last week of August. Other citizens interested in helping or desiring further information may call Mr. Fehland at FR 9-3180.

AUSTRALIAN
Dr. Schwartz is an Australian Physician, Surgeon, Psychiatrist, and Lay Preacher who is endeavoring to diagnose and prescribe treatment for the malignant Physical, Mental, and Spiritual disease of Communism.

For the last twenty years

he has been probing the mind and motivations of Communism to find out what Communists feel, think, and believe, instead of what they say and do.

DEBATED
He has debated on open platform many leading Communists and has an open challenge to debate any Communist on any phase of the subject. He first debated Max Julius, now a member of the Central Committee of the Australian Communist Party, in 1940, at the University of Queensland, Australia. He de-

bated the Chairman of the Communist Party of Massachusetts, Otis Archer Hood, at Harvard University, October 12, 1959.

Seeing the tremendous advances Communism continues to make, he has ceased medical practice in Australia and has dedicated himself to a worldwide campaign to combat Communism with education as to its true nature along with a challenge to Christian dedication. He is now the Executive Director of the Christian Anti-Communism Crusade.

Newest, Largest Zody's To Open Doors Thursday

Newest and largest Zody's Discount Department Store officially opens its doors tomorrow Thursday, August 10, at 10 a.m. as civic officials and celebrities join with store executives for the traditional ribbon-cutting ceremonies at Los Coyotes and Spring Streets in Long Beach.

Richard H. Wolfe, vice president and general manager of

the Southern California discount store chain, announced that the Grand Opening Sale will continue throughout the month with the same low prices reflected at the Zody's Redondo Beach store as well as the Garden Grove location.

Joining Wolfe for the opening ceremonies will be Lee Freedman, vice president and store supervisor, Mayors of surrounding communities, Miss Lakewood (Gail Cason), as well as other civic leaders.

BILL WELSH
Bill Welsh, KTTV star and television MC of the International Beauty Pageant, will serve as master of ceremonies.

The Long Beach Zody's is the third store to open in the Southland in two years. An additional 33 stores are planned which will bring the total to 36 within the next few years.

"Zody's policy of bringing communities the widest variety of merchandise at the lowest possible price consistent with quality will be carried out to the letter," Wolfe stated.

"We are proud to be a part of the booming city of Long Beach and will pursue our efforts to serve this area with the same enthusiastic vigor we have displayed in our other two locations," he added.

A TO Z
Zody's merchandise, which actually includes everything from A to Z, is displayed in a well-lighted, air conditioned, spacious, newly-constructed modern structure encompassing some 76,000 square feet.

Geared with the Southern California family in mind, featured departments include women's and children's ready-to-wear clothing, a huge baby department, men's wear, shoes, jewelry, food and candy, sporting good, major and minor appliances, house and garden supplies and equipment, television and radio appliances, health and beauty aids, hardware, kitchen supplies and utensils, toys, rec-

ords and record players, drapes and carpeting.

"These are but a few of the thousands of items which we have in stock at all Zody's stores," Wolfe reported.

FREE GIFTS

Free gifts, free prizes, free entertainment and many other surprises are in store for Zody's Grand Opening.

Every Friday night for the next five weeks a drawing for five major appliances will be held. Included in the free gifts which will be awarded each week are Zenith portable television sets, Norge refrigerators, RCA Whirlpool washers, Packard-Bell stereo Hi-Fi sets and Keystone home motion picture kits.

Of special interest to the youngsters is the appearance of "Bozo the Clown" Saturday, August 12, at 10:30 a.m. The KTLA-TV star will present a magic show from the stage on the parking lot and will distribute free toys and prizes to children in attendance.

WINK MARTINDALE

Teenage favorite Wink Martindale will appear on Friday evening, August 11, at 7:30 p.m. to give away autographed records and will also conduct the drawing at 8 p.m.

Martindale, who is now seen on KTLA, is one of the better known DJ's in this area. He is heard on radio on KRLA.

On Saturday, August 19, Tom Hatten, host of the popular "Popeye" television show, will appear in person at 1 p.m. Hatten will draw caricatures of the "Popeye" characters and will also have gifts and autographed pictures for his fans.

ESSENTIAL

Even in the best, most friendly and simplest relations of life, praise and commendation are essential, just as grease is necessary to wheels that they may run smoothly.
