July's Roundup
thinned our used Fords and Chevys. We need 1956 and later models.

Until we fill our needs, we continue paying a premium on these.

Says: "Buying this week instead of three weeks from now will not give you a better car... it will, however, give you a much better choice of two-toning, interior styling and models, so suggest that you not wait too long."

The All New Dodge Motor Home

come see a vacation
wonderland on wheels!

See how the thrill of camping, the luxury of a complete house trailer, and the excitement of travel can be yours in Dodge's all-new Motor Home. Built on a Dodge P-300 Truck chassis and powered by a 200-HP V-8 engine with 3-speed pushbutton transmission, the Motor Home goes anywhere, and handles with ease. It sleeps 4, 6 or 8 people and comes fully equipped, including a dream kitchen. But you have to see it to believe the beauty, the convenience and the built-in luxury. Discover how every weekend can become a vacation for your family. Get a glimpse of the future on wheels.
