

Mothers Sponsor Annual Carnival

The annual McMaster Park Carnival, sponsored by the park mother's club, is scheduled at 1 to 9 p.m. on Saturday, Aug. 19. Proceeds from the event will help finance various park programs—the Christmas party, Easter party, and other special events.

Many "fun booths" are slated, including the live gold fish booth, car parking, and others. Various refreshments will be available. Sideshows, including "Wipey's Believe It or Not," also will feature a strong man, snake charmer, and other wonders.

Torrance Company Notes Sales Hike

Sales of Union Carbide Corporation for the second quarter of 1961 were \$353,159,000, an increase of five per cent over sales of \$334,259,000 in the first quarter of this year. Earnings were up six per cent to \$35,671,000 or 0.119 per share, from the \$33,724,000, or \$1.12 a share, earned in this year's first quarter, according to Morse G. Dial, chairman and chief executive officer.

Sales in the second quarter of 1961 were two per cent better than the \$376,341,000 in the second quarter of 1960. Earnings, however, were nine per cent lower than the \$39,100,000, or \$1.30 per share, earned in the second quarter

of 1960. Thus, while the sales level reflects a pickup in the economy, earnings continue to experience the cost-price squeeze.

Sales for the first six months of the year amounted to \$747,458,000, three per cent below record sales of \$771,643,000 a year ago. Net income for the first half of 1961 amounted to \$69,395,000, or \$2.31 per share, a decline of 15 per cent from \$81,192,000, or \$2.70 per share, for the comparable period in 1960.
