University Women Hold Fashion Show

A continental atmosphere will prevail when the American Association of University Women, Palos Verdes-Rolling Hills Branch, stages a French-Italian fashion show and luncheon, Wednesday, October 4, for the benefit of its fellowships program.

Setting for the noon affair will be the Hacienda Hotel in San Pedro.

The 1961 fall-winter collection of Ohrbach's French and Italian imports will be presented, with eight of Los Angeles' top models participating. This collection will only be on the west coast two weeks before going on to New York.

FUNDS

Funds raised by the function will go toward supporting the more than 40 national grants given each year. Representing 31 countries, 443 women have so far been able to study in the United States through AAUW international grants.

In charge of the benefit is
