### DANGEROUS FLIRT

When you go on a summer picnic do you make up a hamper of sandwiches, load it into the baking hot trunk of your car, head for the beach, and finally haul out the hamper for dinner hours later? If so, you're flirting with food poisoning, says the American Medical Association. It advises that you take along the sandwich ingredients in their original wrappers and containers and make up your picnic meal on the spot, just before mealtime.

## 144 Teams Enter BPAA Doubles Bowling Tourney

A field of 144 teams has been entered in the BPAA National men's doubles bowling championships, set Sept. 9-12 at the South Bay Bowling Center.

The lineup of talent includes Bill Pucker of Rockhill, Mo., the 1961 National All-Star titleholder, who will team with George King of St. Louis in the four-day tournament.

All teams will bowl 24 games in the qualifying round on Saturday and Sunday, Sept. 9 and 10. The eight leading teams on a total pinfall basis then advance into a 32-game match game finals, Monday and Tuesday, Sept. 11 and 12.

Team-to-team competition will be determined under the BPAA Point System, which credits a team with a point for each game won and a point for each 100 pins knocked down.

Dick Weber and Ray Bluth of St. Louis will defend the title they won last year at Northbrook, Ill. They compiled 158-18 points for a four-point triumph over Billy Welu and Harry Smith, also of St. Louis, and both former National All-Star titleholders.

New leagues, meeting dates, classes, and Toro news make headlines this week at Gable House.

### WELCOME TO GABLE

Jerry Homel welcomes some new as well as loyal leagues which are joining Gable House this winter.

Among the new ones joining Gable this winter are Coleman Engineering and Douglas. Special thanks to Fred Hall who worked hard to organize 12 teams, Columbia Steel, Central Lutheran Church, and Dot Marr's Beauty Salon (eight teams composed of Beauty Salon customers).

A welcome back to the leagues rejoining Gable and they are St. Lawrence Ladies, Harbor City Neils, Forrester's, Ryan Electronics, Don Wilson Builders, National Supply, South Bay Church of God, and Temple Menorah.

A few league openings remain on Monday night at nine and Tuesday at 6:30 p.m. Also there are a few men's teams needed — so if interested, call Gable and inquire about joining.

For the ladies who are interested in the meeting dates for winter leagues, they are as follows: Beginners 110 average or less — Tuesday, September 12 at 10 a.m.; Intermediate Scratch 111 to 125 averages, max. 365 — Tuesday, September 12 at 1 p.m.; Advance Scratch 126 to 145 averages, max. 405 — and Advance Scratch 126 and up, max. 435 — Friday September 15 10 a.m. Be sure to be at Gable on these meeting dates or have someone represent you so not to be left out this winter.

### BOWLING CLASSES

The ladies and men's bowling classes are going over big at Gable.

In the beginners class on Monday some 70 ladies attended and on Friday about 20 participated. Come over this Friday and take advantage of this free instruction.

Something new will be added next month. There will be children's bowling classes for youngsters eight to 17 years. They will take place about the second or third week in September — the exact date will be announced later.

### TORO NEWS

Toro tickets go on sale this week at Gable. Ticket prices for league matches will be \$4.20, 3.85, and 2.65.

Cities with teams entered in this league are Los Angeles, Fresno, San Antonio, Dallas, Fort Worth, Kansas City, Omaha, Minneapolis, Detroit, and New York.

There was no official word received at press deadline as to who would be the eighth member of the Toro team. Art Goddard of Upland led three other bowlers into the finals of the tournament Saturday, but who finally won it Sunday night has not yet been announced. More on this later.

### GUMPTION

"If today's taxpayers had some of the gumption of their forefathers who made history with the Boston tea party, it wouldn't take long to call a halt to the wasteful and extravagant spending by governments which grow bigger and bigger and which exact more and more taxes to sustain their constantly expanding operations."

### FREQUENT CHARGE

According to a survey published in the American Druggist, the prices most frequently charged for prescriptions in a late period were \$1.25, \$1.50, and \$2. Prescriptions costing \$10 or more made up only 1.5 per cent of the total.
