The Southwest Association for Retarded Children, an organization composed of parents and friends of the retarded, will begin their fall building fund campaign with a Luau at Lennox Park, 10825 Condon Ave., Lennox, Wednesday, Sept. 6, at 6:30 p.m.

There will be no charge and anyone interested in the welfare of the mentally retarded is invited to attend. If interested in attending call FR 6-9966 or OR 4-8136 for further information concerning what to bring. Child care will be provided.

The need for an activity center is great as there is no such place in the southwest portion of Los Angeles County. Goal for the future is the establishment of an activity

center for a training program which will give each child the opportunity of developing to his full capacity.

Planned are classes for nursery-age children and their parents, pre-school age children, training for those not meeting the criteria of admission to public schools, work training and activities for those over-school age.
