Dorothy Haven Portrays Mary In Monodrama

The Christmas program featuring Dorothy Carter Haven in the monodrama, "Mary, Mother of Jesus," will be presented at the Wayfarers' Chapel Portuguese Bend.

Services will be Sunday, Dec. 10 at 4 and at 7:30 p.m.

The public may obtain free reserved seat tickets for the presentation by writing to the Wayfarers' Chapel, Portuguese Bend, or by telephoning FRontier 7-1650.

Since the seating capacity of the Chapel is limited, those who wish to attend should send or telephone for tickets immediately.

Miss Haven, a nationally-known dramatist, will dramatize the life of Jesus' mother in five scenes extending from the family circle in Nazareth to the temple in Jerusalem.

The drama was drawn from historical records and scriptures.

Although Miss Haven portrays only one character, Mary, she gives the illusion that all characters in the Holy family are on the stage.

This will be the 10th year that Miss Haven has presented the monodrama.

WHAT'S DOING

R. S. Pyle, your Telephone Manager in Torrance

Those tents you occasionally see on telephone lines may have set you wondering what sort of mysterious operation was going on inside. Actually, it's no mystery. The tents are simply protection against rain, wind, or hot sun for phone men splicing cables together.

It's one "undercover job" that helps assure the dependability of your phone service, since tents like this allow us to make cable repairs in

just about any kind of weather.

Do you know how the telephone company helps bring you network TV?

From a studio, a network television program is sent first to a telephone company TV control center like the one shown at right. From here, the television picture speeds along a network of special telephone circuits to stations in other cities for broadcasting to homes.

At check points across the land, the program is carefully watched on monitoring screens. Highly trained telephone men check constantly so you'll get the best possible picture on your television set.

In this way telephone people help bring you television from the entertainment capitals of the nation.

HOLIDAY AHEAD

Thanksgiving, a holiday of great religious and family significance, is upon us again.

The idea of rendering personal appreciation for the unique privileges we enjoy dates back to the days of Early America.

In most localities, it has come to be associated with crisp fall weather, heavily laden tables and festive family reunions.

We at Pacific Telephone will be observing the holiday, Thursday, Nov. 23, with millions of others.

We also will be giving our particular personal thanks for the small part each of us is able to play in providing "reunions" for thousands of families over our wires which span the nation.
