This contract provides for the supply of materials for the first production lot of Verdans to be assembled and tested within the United Kingdom under the existing technical assistance agreement between North American and Elliott Brothers, according to R. T. Jones, vice president, Autonetics.

### Testimonial To Honor E. A. Jarvis

Ellis A. Jarvis, retiring Jan. 1 as superintendent of the Los Angeles City Schools after 38 years of service to the district, will be honored by more than 1200 persons in a testimonial dinner Wednesday, Dec. 13, in the Pacific Ballroom, Statler Hilton Hotel.

At the request of Jarvis, this function will be the only city-wide event honoring his retirement.

Jarvis has served as superintendent for the last five years, being appointed in November 1956 following the death of then Superintendent Claude L. Reeves.

Jarvis first joined the Los Angeles System in February 1924 when he took an assignment as a teacher of music and science at San Pedro High school.

He remained at San Pedro until 1936 when he was appointed supervisor of science and mathematics in the school system's curriculum division.

He served in numerous administrative posts until 1955 when he was appointed to the newly established position of deputy superintendent.

One year later Reeves was taken ill and Jarvis was named acting superintendent, and shortly thereafter was appointed superintendent by the Board of Education.
