**AIR-CAR**—Car Craft Magazine's Experimental Air Car will be featured at Mickey Thompson's Auto and Boat Speed Show which opens tomorrow at Shrine Exposition Hall. Car actually rides on a five inch cushion of air over either land or water.

## Auto, Boat Show Opens Tomorrow at Shrine Hall

Mickey Thompson's second annual Auto and Boat Speed Show which opens a four-day run at the Shrine Exposition Hall tomorrow will feature one of the greatest collections of go-fast equipment ever gathered under one roof.

Among the more than 200 displays that will fill the three tiers of the Hall are many of the leading racers and boats which have made headlines in the fascinating and sometimes violent world of speed.

Thompson, who holds the one way world speed record at 406 mph, will have three of his own cars on display. They are the Challenger I, which carried him to his record two years ago at Bonneville, and the Assault and Attempt in which he set 72 new national and international speed marks.

Another highlight of the show will be the first West Coast appearance of the famed "Mad Dog" which just recently set a new closed course record of 181.56 mph at the Daytona International Raceway in Florida. The former Indy roadster which is fitted with airplane type wings and tail and powered by a supercharged Dodge engine was driven by Art Malone in its record setting runs.

## WINNERS

Winning car from the 1961 Indianapolis 500 — A. J. Foyt's Bowes Seal Fast Special — also will be on display as well as J. C. Agajanian's Indy roadster. The world of drag racing will be represented by national champion Jack Chrisman's dragster and TV star Tommy Ivo's creation with four Buicks, along with most of the leading rails in the country.

Also represented will be many of the leading Bonneville cars along with racing sports cars, sprint cars, mid-gets.

In addition to the vast array of racing cars, nearly every type of automobile from the George Barris "ground effects" car which runs on a cushion of air to the "classics" of yesteryear

well be shown. Along with the "Beauties" of the automotive world, there will be a real live beauty contest featuring 30 pretty damsels sponsored by local car and boat clubs. Eliminations will be held each night with the five finalists vying for the crown on Sunday evening.

Doors open at 3 p.m. until 11 p.m. on Thursday and Friday and from 10 a.m. until 11 p.m. on Saturday and from 10 a.m. until 8 p.m. on Sunday.

**ALFRED N. WHITEHEAD**, philosopher — "In the conditions of modern life the rule is absolute—the race which does not value trained intelligence is doomed. Not all your heroism, not all your social charm, not all your wit, not all your victories on land or at sea, can move back the finger of fate."

## Warriors Pick Up Second Victory

Dan Karavas shoved El Camino into the lead for the first time in the hoop contest against Cerritos last week when he hit on a pair of free throws with 6:05 remaining in the game and EC moved ahead 47-46.

After almost two minutes Keith Erickson dunked a short jumper to make the scoreboard read 49-46, and the Tribe was on the way to its second victory of the season against an opening game defeat.

Behind 33 to 28 at intermission, Camino fell even further arrears, dropping eight points down at one time in the second half before resorting to a stingy full-court press to limit the Falcons to 17 final-half points.

Not limiting his worth entirely to the shooting department, Karavas hauled in several crucial rebounds during the final frantic minutes of action as Cerritos tried to overcome the Tribe's slim lead.

Behind 16 to 7 with half of the first period gone, ECC battled back to tie things up at 23-23 before Cerritos went on a scoring binge and pulled into its comfortable half-time lead.

Falling before Glendale City College, 79-60, the Indians bounced back to trample College of the Sequoias 81-68 with another second half rally.

Karavas wound up with high-point honors against Cerritos, dropping in 17 points. Ron Dinnel pushed Karavas for the honor, netting 16 digits.
