

PRESENTATION—Lovely Linda Roaker of Torrance presents Mike Chapman with a trophy at a recent race at Gardena's Western Speedway, where the second annual CJA open competition speed carnival will take place Sunday at 2:30 p.m. Chapman will pilot a Buick V-8 powered speedster in the day's 50-lap "Race of Champions" feature.

### Seahawk Hoop Squad Plays First Home Games at Harbor Tournament

Harbor College cagers this week will attempt to do at home what they haven't been able to do on the road—win a game.

They play host at the fourth annual Harbor Tournament Thursday and Friday nights December 7 and 8.

Pairings for the tournament pit Harbor against Santa Barbara at 7 p.m. and Pierce against Long Beach State Frosh at 8:30 p.m. The tournament was won last year by Compton with LBSC Frosh coming in second.

In the past week the Seahawks dropped games to

Compton, 48-58; Citrus, 65-77; and Orange Coast, 69-79. Handicapped by the lack of a big scoring punch, Coach Norm Kettering still expects a good defense and a unified team effort to put the Harborites on the winning side.

Smallest man on the squad at 5'8", Cliff Tanaka is the big man in scoring with a 14 point average. Al Windfeldt follows with a 12 point average.

The Seahawks will devote all their energy next week to the Chaffey tournament running from Wednesday, December 13, through Saturday, December 16.

### Warriors to Host State Champs at Grappling Meet

El Camino College wrestlers will host defending state champions from San Bernardino Valley College Friday night in the Men's Gymnasium at 7:30 p.m.

El Camino Alumni again nosed out the El Camino team by one point in a 17-16 tilt. Last year the Alumni nudged the college varsity out 19-18.

Frank Addleman, in deciding ECC grappler Dennis Albright 4-1, was awarded the outstanding alumni wrestler's trophy at the conclusion of the meet.

Alum Jun Watanabe, 123 pounds, soundly defeated Ray Pogue 13-2, starting the Alumni team off with three points. Watanabe last year won the San Diego Naval Invitational, Olympic style wrestling, as a varsity member of the El Camino squad.

#### 130-POUNDERS

The 130-pound division was forfeited to Dale Deffen, making the score 8-0 in favor of the Alumni.

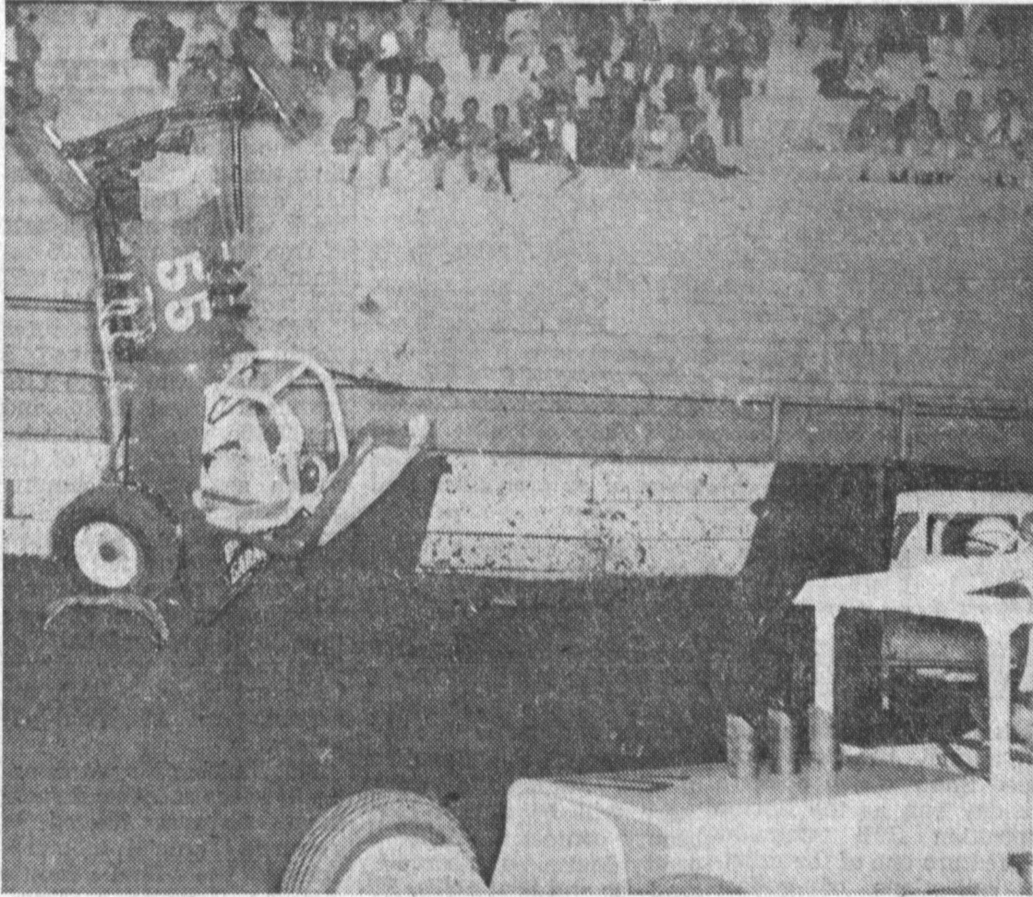

John Arnold defeated 137-pounder Foster Johns, last year's taker of outstanding alumni wrestler award, in one of the best matches of the evening. The 7-4 decision changed the meet score to 8-3 in favor of the Alumni.

Addleman, wrestling in the 147-pound division for the Alumni, outscored Dennis Albright 4-1, giving the Alumni an 11-3 margin.

DON Dobrick easily defeated ex-El Camino man Milton Loy, 8-1, giving the El Camino team another three points.

In the closest match and perhaps the most thrilling of the evening, Roy Macias barely outpointed El Camino team captain Dave Fiorelli, 12-11. Fiorelli, who normally wrestles in the 157-pound slot, was one of three ECC men involved in a last-minute weight class shuffle in the 157, 167, and 177 pound classes.

Steve Buckalew clinched the meet for the Alumni by outscoring Don Irvine in another thriller 7-5. The 191-

and they will be shooting for the more than \$2250 purse. Race is open to all types of cars including hot rods, late model stock cars, sportsmen, hardtops, modifies and jalopies. Thirty cars will start the main event, with racing starting at 2:30 p.m.

### Little League Parents to Meet

Parents of Pacific Coast Little Leaguers this week were invited to take part in Monday's organizational meeting.

President Bob Barret reported that the meeting will be held at the Walteria Elementary School, starting at 7:30 p.m. Chief topic will be discussions and advance planning for building a new little league field.

#### CYCLAMEN

Plant the bright Florist's cyclamen in sheltered outdoor gardens or in a light and airy sun porch.

pound win was forfeited to El Camino grappler Dennis Pointon, making the score 17-11 in the Alum's favor.

Jim Miller of El Camino registered the only fall of the evening, pinning Mike Simms in the first period of the heavyweight division.

#### GOOD LOOKS

Designers are proving that fences do not have to be plain and uninteresting. Today they are tailor-made to fit each home. But, equally, important, landscape archi-

itects are using imagination to design fences with real appeal. They use many designs and patterns such as louvers, offset panels, board-on-board, pickets, solid fences with panels for pots and art objects.
