

# Warrior Awards Banquet Tomorrow

Gable House Spring Fashion Show, talk of summer leagues forming, and new lady beginner classes soon are all main topics of bowlers on the lanes this week at Gable.

## GOT YOUR INVITATION?

All lady league bowlers should have received their invitations by now to the party which is to be given especially for you this Sunday afternoon at 2 p.m. If by chance you were absent from league, then your invitation is still waiting for you. All you need to do is contact your league secretary, pick up your invitation, and you will be able to attend.

This party which Jerry and Ann Homel are working on is just for you, gals. It is being given in appreciation for your loyalty as good patrons of Gable House. From all indications, all of you are very excited—Homel is planning for 400 to 600 ladies to attend his party that day. This is a generous gesture and it is hoped each and everyone of you thoroughly enjoy yourself.

In case you are unaware of the fine program which has been arranged, here is a brief outline.

Features include a free luncheon, door prizes from local merchants, a free trip for two to Las Vegas, and a beautiful fashion and coiffure show.

What a nice afternoon is planned for Gable's ladies. Imagine, a free luncheon, show, and a chance to win some valuable prizes. It sounds like a big time is in store for you. Be sure and contact your team or league members and plan to meet them there—don't miss out or you will miss a lot of fun.

Jerry Homel also stated that he is sorry to have to refuse ladies not in leagues, but as it was stated six months ago—joining a Gable House league was the only way to get an invitation. So, if you miss out this time and the offer is made again—take advantage of it.

## NEW LEAGUES AND CLASSES

In about two weeks, plans will be completed and sign up sheets will be available to every bowler who wants to join a summer league. This includes the night as well as the daytime leagues.

This reporter was discussing this matter with a number of gals on the lanes recently, and a few brought up a good point.

Many people sign up for leagues then do not show up at all or half the time. This attitude doesn't hurt the house, but it does make it hard on the team and also the entire league. It was suggested that if you don't want to bowl, don't sign up. It isn't fair to the rest of the league members because the league becomes unbalanced.

If any of you have bowled on leagues at Gable or anywhere else, you know that it isn't much fun if the teams aren't equal.

So, when you sign up, keep it in mind that you will not, to the best of your ability, let your team mates down. That way everyone has a good season—give or take those few days when nothing you do on the lanes goes right. How well we all know this!

Any of you gals need beginning instructions to learn the proper way to bowl. Maybe you have a friend or relative whom you would like to get excited over bowling as you are, but they are a little afraid to try as they don't know how.

Gable House is going to solve this problem. About the last week in March or the first week of April, Homel will be offering free beginner classes for the ladies. This will include, as usual, free nursery care, all necessary equipment, and expert instructions. We all should learn sometime and the best time is the present.

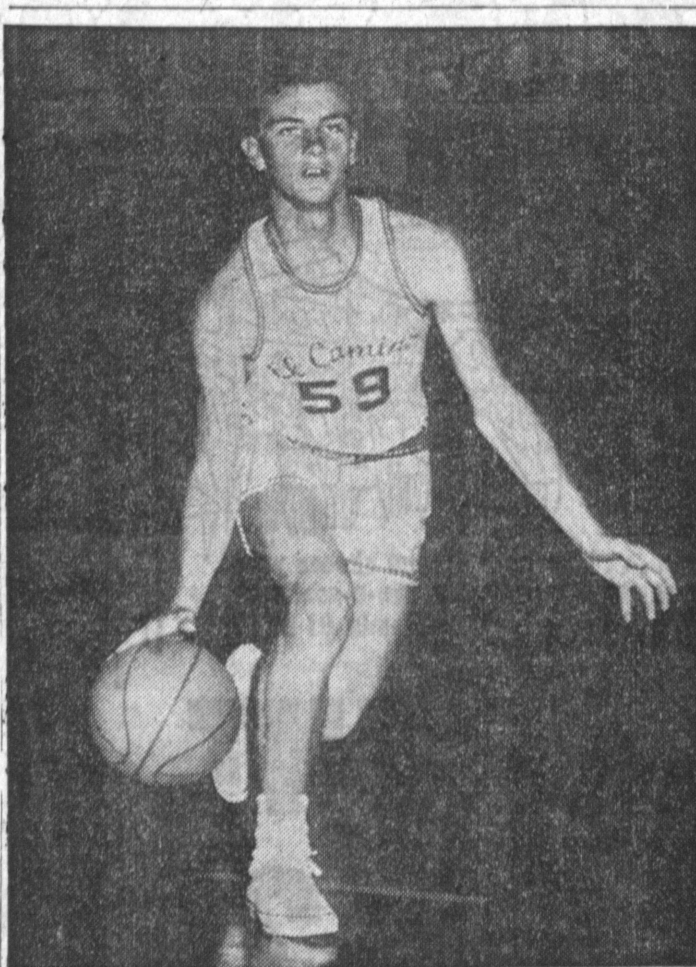

Drop over at Gable soon and sign up for these lessons. You won't be sorry you did.

season onslaught by runners-up Cantrell and Heath to capture the '61 title. Cantrell and Heath, however, as cagey a pair of pilots who ever donned the face mask, each won five main event victories in the potent sprints last season at Ascot, and must be regarded as top favorites in Sunday's opener.

The car is owned by Duane Maxson of L.A., and Ascot observers are watching Krause's debut in the potent sprints with avid interest.

Also competing will be the likes of popular Bobby Hogle of Buena Park, back in his old Long Beach B & E Parts No. 73 Chevy again; Ray Douglas of Los Angeles; vet-
