Torrance Secretaries Urged To Attend Forthcoming Meet

A "get acquainted" evening for secretaries is planned for January 25 at 7:30 p.m. by the South Bay Chapter of the National Secretaries Association (International). This event will be held at the home of Miss Ruth Sakauye, 3714 West 244th St., Torrance.

The National Secretaries Association (International) is the largest association for business women in one profession with some 500 chapters and approximately 22,500 members in the United States, Canada, Puerto Rico, Mexico, and Finland. From

the association's inception in 1942 its members have dedicated themselves to the establishment and improvement of secretarial standards.

ACHIEVEMENTS

One of NSA's outstanding achievements is the development and implementation of the Certified Professional Secretary program which was set up to encourage employed secretaries to continue their education. The measure of secretarial ability, technique, knowledge and judgment, is awarded to candidates who have successfully completed a two-

day, twelve-hour comprehensive examination in Personal Adjustment and Human Relations, Business Law, Business Administration, Secretarial Accounting, Secretarial Skills, and Secretarial Procedures.

All Torrance secretaries in learning about the National Secretaries Association and its educational program are cordially invited to attend and are urged to contact Mrs. Jean Smuland at FA 8-5310 from 9 a.m. to 4 p.m. or FR 9-4846 after 6 p.m. or Miss Ruth Sakauye at DA 5-0191 between 9 a.m. and 4 p.m. or FR 5-2298 after 6 p.m.

Kidnap Breakfast Successful For Hickory School PTA

Hilarity and general good fun was had by members of the newly organized Hickory PTA as they launched their busy schedule of

events with a kidnap breakfast recently at the home of Mrs. Walter West, 2610-225th St.

Members were picked up at their homes by various women of the PTA board and the assortment of curlers, muu muus and shaggy bedroom slippers added a touch of careless gaiety to the "surprise" occasion.

In charge of coffee, doughnuts and coffee cakes for the morning session were Mmes: Paul Mackey, Ben Wallace, Lee Parker, and Gene Parana. President of the Hickory PTA is just recovering from surgery and was unable to attend the breakfast.

This year's motif will feature "Your Place in the Sun." To carry out the resort travel theme will be colorful travel posters and a large gold sun on stage. Natural colored straw hats will be table centerpieces gaily decorated with palm trees, flowers and gold butterflies.

16TH YEAR

Now in its 16th year, Uni-Betic Camp is the oldest and largest camp of its kind in Southern California.

Because camps for children with diabetes are considered an important phase of modern diabetic care, the Los Angeles Metabolic Clinic founded Uni-Betic Camp in 1941. Except for the intervening war years, the camp has subsequently been held each summer for a two week period in the Barton Flats of the San Bernardino mountains.

Dr. William H. Grishaw heads a permanent medical staff composed of Drs. John Masson, Eugene Berman and Maria Roldan in conducting a rigid medical schedule for campers while urging normal camping.
