LET'S GO

BOWLING

With Darlene Cope

The Gable House Bowl Association had their Junior Bowling Tournament at Gable Sunday afternoon at one o'clock.

WINNERS

Juniors who participated in the tournament were between the ages of 12 to 14.

For the most improved bowler for high series, a trophy was awarded to Bob Alderman Jr. for a 421.

Most improved game trophy went to Curtis Stidham for a 159.

Three children bowlers who bowled in the tournament last time and bowled again this time received trophies for improving their previous high series. They are Mark Finch, 252; Barbara Alderman, 259; and Larry Schow, 353.

Final event of the day was that prizes were awarded to the two winners rolling the closes series to the secret numbers. These two keggers were Fred Handy and Terry

Stidham. Congratulations to all those who won and a keep trying to the ones who came close but didn't quite win.

GOOD-BYE JACK

With deep regrets, all Gable's day time lady league bowlers will have to say farewell to Jack Frybaum who took care of the front desk.

He was always available to answer our many questions, get our leagues rolling every day, and help us with our many bowling problems.

Jack is now working at the desk at Jefferson Bowl in Culver City. This location is closer to his home, so consequently will cut down on transportation problems.

Jack has been with us since Gable opened almost two years ago. He is the one who gave the idea to this reporter to start writing a bowling column. We will miss him but, since we must go on, we will welcome his replacement. Carmen Fuscado will take over the desk starting Monday. Many bowlers know her, as she is quite a bowler herself, so rest assured that Carmen will be on her toes and will be able to answer and take care of our many bowling needs.

Don't forget us, Jack. Drop over and see us when you are in the neighborhood.

HOUSE GAB

Happy birthday congratulations are in order today for our General Manager, Jerry Homel. In case you gals are wondering what our gentleman's age is—figure out this phrase—Life Begins at Forty.

Other Gable news is that sign-up sheets are now at the front desk for anyone or group wishing to sign up for summer leagues. This is your chance to sign up with your friends for a favorite type of league. An announcement will be made when the meeting dates will be held as to set up league rules, teams, day and time.

Lady beginner bowling classes will start about the first week in April. In case any gal is in need of instruction before venturing into her first league, here is a good chance. It stands to reason that more enjoyment will be had either in open play or league play when you learn the basic rules, fundamentals, and courtesies of the sport. Days and time will be announced in later columns, but plan for and keep these things in mind so not to be left out when new leagues start rolling.

In case you are wondering what all the activity and noises are in the lower lounge—that is Gable House growing. The lower bar is being enlarged for more dancing and dining area to fill the needs of the ever growing town of Torrance. It is not known when the work will be completed, but one can be sure everything will be nice when it is done. Wonder which will be noisier—the bowling pins or the hammer?

County to Seek 1968 Olympics

An all-out community-wide crusade to bring the 1968 Olympic Games to Los Angeles was urged this week by Supervisor Hahn. support efforts to bring the On his motion the Board of Supervisors adopted a policy that it would welcome the 1968 Olympics to Los Angeles County and would week by Supervisor Hahn.

White JHS Court Tourney Ends With Bees Ahead

Fifth Stephen M. White Annual All-Star Basketball Tournament was held last weekend in the Stephen White gymnasium. The B7 All-Stars, coached by Charles Castagna and led by Art Saenz with 15 points, outscored decisively the A7 All-Stars to the score of 37-7. Other outstanding B7's were Mike Glenn and Joe Dymerski. Outstanding for Ken Coyne's A7's were Andy Johnson and Marty Kline.

The B8 All-Stars, coached by Fred Lugenbehl, whipped the A8's, coached by Anthony Sokolic, by the score of 31-16. Phil Smith for the B8's was high point scorer of the game with 13 points. Doug Cheney, Dennis Sena, and Greg Clamptt were also consistently outstanding for the winners. Barry Winkler, Ron Buchanan, and Danny Mark were high point scorers for the losers.

B9 All-Stars completed the rout of B classes over A classes by winning with a score of 32-23. Charles Osterlund's team exploded in the second half after a close 12-11 first half with Nicky Van Lue and Glen Yates sparking the attack. Steve Mead hit five out of eight free throw attempts in the second half for the winners. The B9's controlled the

North High Will Crown Court Queens on Feb. 9

"Basketball Royalty" will reign at North High School for the first time this year.

Four queens, one representing each class, will be crowned at North High's home game with Mira Costa on Feb. 9.

Voting for the semi-finalists will be held Feb. 5. The second voting will take place Feb. 7, where one girl from the selected five of each class will be chosen to reign as queen of her class.

The crowning of each queen will take place during half-time of the North-Mira Costa game. At this time each queen and her escort will be presented to the student body, and the president of each class will crown the respective queen. Each queen will receive a trophy inscribed with the honor she holds.

"The purpose of 'Basketball Royalty' is to promote interest in basketball, to give students a chance to participate in North's various basketball activities, and to give each class level equal representation."

boards with their superior height. Jimmy Lewis sparked the A9's and was high point scorer for the game with 13 points. Outstanding for A9's was Javier Jaramila.

Lynne Weddle, commissioner of correspondence and chairman of the activity, stated.

Other members of the planning committee include Sandra Rayes and Nancy Prior.

City Group Plans Skiing Trip for Next Weekend

The Torrance Recreation Department Ski School this week announced a mountain trip to Kratka Ridge on Saturday. Bus will leave El Retiro Park, 126 Vista del Farque, at 8 a.m. and return at 6 p.m.

Purpose of the trip is to give the ski school students a lesson on the slopes. The \$5.50 fee for adults and the \$4.50 fee for youth 8 to 16 years includes the lesson fee, rope tow use, bus transportation and trip insurance.

Trip is open to those in the present and in previous department - sponsored ski schools and to other beginner skiers.

Reservations for the trip are being accepted at the Torrance Recreation Department FA 8-5310. Space is limited and reservations are being accepted on the first-come-first-served basis.

RON DINNEL
... Warrior Starter

LEADER

Maury Wills, leading the National League with fifty steals in 1960 and thirty-five in 1961, had a two-year total of eighty-five, the best in the senior circuit since Max Carey pilfered ninety-five for the Pirates of 1924-25. Wills was the first player in Dodger history to lead the league two consecutive seasons.

Call classified, DA 5-1515.

Warriors Meet Valley, Seahawks to ELA for Top Metro League Tilts

The lead in the Metropolitan Conference basketball race will be at stake Friday night when El Camino and Valley tangle at El Camino College. Both were knocked out of the unbeaten class last week but are tied atop the standings with 4-1 marks.

In other Friday games in the tightening conference chase, Bakersfield invades Long Beach, Harbor is at East Los Angeles and Santa Monica travels to San Diego.

The first round comes to a close Saturday night with Bakersfield at East Los Angeles, El Camino at San Diego, Harbor at Valley and Santa Monica at Long Beach. All games start at 8 p.m.

Bakersfield and East Los Angeles made big moves in the race last week by whipping two foes each.

The Renegades, defending champs, unseated previously undefeated Valley, 85-78, Saturday after walloping Harbor, 70-48. East Los Angeles led all the way, last Tuesday in pinning a first loss on El Camino, 87-79.

Meantime, Harbor defeated Santa Monica, 77-63 (Tuesday). El Camino downed Long Beach, 70-65 (Friday). Valley beat San Diego, 72-64 (Friday) and Long Beach edged San Diego, 71-70 (Saturday) in the other conference games.

Last Tuesday the fury of five East Los Angeles players hitting in double figures—Louis Hood (15), Kenji Takai (14), Louis Conde (13), Leonard Lerg (13) and Felix Patterson (11)—shriveled El Camino's chances. The Warriors got a 21-point effort from Ron Dinnel and 19 more from consistent Danny Karavas.

On the same night, Har-

bor's big three of Ed Briscoe, Al Windfeldt and Charles Campbell bombarded Santa Monica's basket for a total of 52 points to pace the victory. Briscoe hit for 21, Windfeldt for 16 and Campbell for 15, but top scorer in the contest was Santa Monica's Gary Adams with 27.

In the remaining Friday contest, El Camino bounced back from its Tuesday loss to nick Long Beach as Karavas ran his conference total to 85 by hitting 15 for the Warriors. Dinnel had 12 and Mike Schrader and Gary Nixt 10 each. For the Vikings, Mike Woodward and Chuck Shane were high with 11 apiece.

Aluminum and Steel Speedster Here for Wintrnational Drag Races, Feb. 9-11

The Tennessee Bo-Weevil will unleash its full fury on Southern California, Feb. 9, 10 and 11.

No cause for alarm, though—not unless you happen to be among the 500 competitors taking part in the 1962 Wintrnational Championship drag races at the Los Angeles County Fairgrounds. For this Bo-Weevil is not the cotton-eating kind. Instead, it eats trophies such as they award at drag races. It is made of aluminum and steel and by National Hot Rod Association standards, it is classed as a modified roadster.

One of the most popular and best known cars in drag racing today, the Bo-Weevil is the creation of Ray Godman, 33-year old insurance broker from Memphis, Tenn., who, despite being physically handicapped, built this "bug" from a tubular frame, Model T body and a supercharged Chrysler engine.

TEAMED UP

A drawing, good natured

fellow who has won the hearts of fellow competitors everywhere. Godman has teamed up with another native of the Volunteer state to form both a popular and winning combination. The second half of the potent team is Harrison Jacobs, a lanky, 25-year old Memphis plumber with a special knack for handling the Bo-Weevil's approximate 600 horsepower.

According to Godman, a completely new Chrysler engine is being installed in the Bo-Weevil for the Big Go West, and the car itself has been revamped for the fierce competition anticipated in Class A for modified roadsters. The Bo-Weevil has a fine reputation to uphold, having captured a class victory in five out of eight national meets. Best speed to date turned in by the machine is 171 mph in the elapsed time of 9.31 seconds through the standing quarter mile.

The Wintrnationals will be held at the Los Angeles

County Fairgrounds which are located approximately 30 miles east of L.A. downtown area, in the city of Pomona. More than 500 cars and drivers, representing more than 43 states will be competing for class and eliminator honors. Sponsored by the NHRA, the event ranks as one of the most important meets in drag racing, with a spectator attendance in excess of 50,000. A total of 61 classes, ranging from 1000-horsepower dragsters to competition coupes, altered sedans, sports cars and showroom-fresh production models will provide the action.
