CORRECTION

In an article appearing under the heading of "Realtor of the Week," the following statement was made in reference to a realtor.

"If you are thinking of buying or selling real estate and you want a man you can have complete confidence in, this is, —, Realtor."

This statement did in no way infer or imply that other honest and dependable realtors should be excluded. We are well aware that professional realtors and real estate brokers, like other code of ethics that is rigidly observed.

Why Switch to "Contacts"?

Over six million men and women are now wearing contact lenses! Why? (1) The advantage of not wearing spectacles is obvious; (2) plastic contact lenses are comfortable to wear because they do not "touch" the cornea; (3) over a long period, contacts may be more economical than glasses. Get the facts and you, too, will switch to contacts! Come in for a no-obligation demonstration or mail the coupon.

Easy Terms. 32 years in the Harbor area. Open Friday evenings and all day Saturdays. Offices in Wilmington.
