On the evening of Feb. 9, the Sweetheart will reign over her collegian "subjects" following traditional coronation ceremonies at the annual dance.

This year's ball will be the 15th annual valentine event, and is sponsored by the freshman and sophomore classes of the college. The dance will be held in the college Campus Center.

**CONTESTANTS**

## St. James Sponsors Rummage

Northside area of St. James Council of Catholic Women will sponsor a fund-raising rummage sale from 9 a.m. to 5 p.m., Friday and Saturday, Feb. 9 and 10, in the parish hall, Vincent and Broadway, Redondo Beach, announced Mrs. C. L. Fox, Northside area director.

A large selection of clothing, lamps, drapes, dishes, and other household articles will be offered for sale at reasonable prices. Additional information can be obtained by calling Mrs. Robert Wassmuth, general chairman, at FR 6-4381.

## Scout Trails

Torrance Scouter Tommy Higley, 10, of Pack 730C, recently urged other Cub Scouts and Explorers in the area to join in a contest now in progress in which Scouts will sell tickets to the Third International Sports, Vacation and Travel Show, March 2 through 11.

Tommy is the son of Mrs. Edward L. Higley, who is also the Den Mother, of 2506 W. 171st St.—and he's got his first customer lined up, real estate broker Lou Silverman, 17116 Casimir. Silverman has promised to buy Tommy's first ticket.

The management of the show has donated the tickets to the Scouting movement, which will keep 100 per cent of the money raised.

Local scout groups will be able to keep percentages of the money, depending upon the number of tickets they sell.

Torrance Scouts, throughout the county sold \$58,200, from which local units got \$42,105 in commissions and prizes.

Besides being admitted to the show itself, ticket holders will be able to visit displays and programs by Cub Scouts and Explorers. Harbor area Scouts will be on a show of their own today, March 4.

Physical education is Miss Sheila Hendrickson's major, a young lady who is just a few strokes behind swim star Esther Williams. She has already won 70 medals and several trophies in swimming competition. Her home is at 9012-2nd Avenue Inglewood.

## Carson Man Named to Committee

L. O. (Lew) Griffiths of Carson has been named by County Supervisor Burton W. Chase as one of five members of the Los Angeles County Road Financing Committee.

The committee was recently created by the Supervisors to study demands by the local division of the California League of Cities for a greater share of County gas tax funds.

Two of the six cents highway users tax levied by the state is subvented to counties and cities. Of this, one and three-eighths cents is allocated to counties and five-eighths of one cent to cities.

Many of the cities have adopted resolutions holding that the split is not equitable and that they require more money for maintenance and construction of local streets.

The county has maintained that the division is appropriate because the county spends much of its share building important traffic arteries between the cities to facilitate a better flow of traffic throughout the county as a whole and the cities are not equipped to construct and maintain inter-city highways.

Griffiths, past president of the Harbor District Chambers of Commerce, resides at 556 E. 231st St.

## Christopher To Address Associates

One of the Republican Party's most vocal advocates of the free enterprise system, San Francisco's Mayor George Christopher, will address the South Bay Regional Board of Republican Associates on Thursday Feb. 15.

The recently announced candidate for Lt. Governor is well qualified to speak on the merits of our American way of life. He was the founder of the Christopher Dairy Farm, which today is the largest independently owned dairy in the San Francisco Bay Area.

The Christopher success story is not limited to the business world, by any means. His political career is also quite worthy of note. In 1945 George Christopher entered public service through election to the San Francisco Board of Supervisors. He twice served as president of the board. In 1955 and again in 1959, he was elected to the office of mayor by substantial majorities.

The luncheon will be held at the Palms Restaurant, 1925 West Carson in Torrance. Reservations can be made by calling Mr. Blayne Asher at FR 8-4226.
