

"RAWHIDE" REGULAR — Actor Charles Gray, former Torrance resident, enacts a scene from one of his recent television appearances on the "Rawhide" series with actress Diana Milley. Gray was picked to be a regu-

lar member of the cast after appearing in the series twice previously. Viewers can see him Friday nights on the CBS station in the role of Clay Forrester.

Former Torrance Resident Signed As Regular in 'Rawhide' Series

A Torrance mother, Mrs. Celia Gray, 720 1/2 Acacia St., will have reason to beam with motherly pride each week as she views the television series "Rawhide." And with good reason, too, for her son became a regular member of the cast on Feb. 16 of this year.

Actor Charles Gray, a former Torrance resident, was chosen by Andre Bohem and CBS-TV to be a standing member of the "Rawhide" troupe after appearing twice previously on the show.

Playing the role of Clay

Forrester, Gray co-starred with Mercedes McCambridge in the "Episode of the Greedy Town" in his Feb. 16 appearance.

NO NEWCOMER

Gray is no newcomer to either the television or the movie screen. Recent TV appearances in which he played a part are: Gunsmoke; Have Gun—Will Travel; and he was cast in the role of Pico McGuire in a recent "Gunslinger" episode.

Gray's movie credits include co-starring with Walter Brennan in "God is on My Side" and "Cattle Empire" in which he co-starred with Joel McCrea.

Before becoming a television and movie star, Gray led an active life in local community theatre groups. He was director of the now extinct Accent Theatre; former owner of the Hermosa Beach Playhouse and served as actor and director in many Torrance and South Bay theatrical productions.

The actor presently resides with his wife in Manhattan Beach. His sister, Bernice Holmes lives at 1121 Eriel St. in Torrance and

"A vote for my father means a vote for economy in government. He knows finances and the confines to which lawmakers should limit themselves."

PATRICIA
Teacher

"A vote for my father means a vote for the fuller use of recreational facilities owned by the taxpayers. Playgrounds, parks, gymnasiums should be put to more extensive use. The city plunge should also be converted for year around use."

JERRY
Civil Service

"Like brother Don, I cannot endorse, I cannot recommend, I can't even campaign for my father because of civil service rules. All I can say is more power to him."

GREGORY
Student

"A vote for my dad is a vote for one who will represent you well. He will study each issue and vote on all of them. He will not abstain."

MRS. SCIARROTTA
Teacher, Mother

"A vote for my husband is a vote for a fair deal for all the citizens of Torrance. His past performance with the civil service board shows him to be fair, unbiased, considerate and yet firm."

"A vote for my husband will also mean a vote for the enforcement of sump laws and the elimination of hazardous conditions before accidents occur. He believes in the adage that an ounce of prevention is worth a pound of cure."

ROSS JR.
Businessman

"A vote for my father means dignity in the city council. He believes that flying tempers, public reprimands and displays of ill feelings are in bad taste."

DON
Civil Service

"I am sorry I cannot recommend or endorse my father. Civil service rules prohibit my participation in city elections. All I can do is wish him luck."

MA. IA

"A vote for my father is a vote for a well balanced city. Torrance needs 44,000 jobs to be self-sufficient. He believes in Torrance workers for Torrance jobs whenever possible."
