

**POSTER WINNERS** — Father John Langiulle, director of Mary's Hour which will be held May 6 at the Coliseum, is shown above with poster award winners (front left to right) Mary Dowd, third place; Barbara

Gantner, Irene Ryan, Sue Edwards, honorable mention; (standing) Dave Slocovich, honorable mention, and Patrick McGauley, first place winner. Five high schools and 175 posters were represented in the contest.

### Montgomery HS Student Named Poster Winner

First place winner of the 1962 Mary's Hour Poster Contest was awarded to Patrick McGauley, 15, Bishop Montgomery High School student.

Fifty-five high schools in and around Los Angeles sent posters to compete. One-hundred seventy-five posters were entered.

Bishop Montgomery High took six of the ten awards. Mary Dowd received third place and honorable mention was given to Barbara Gantner, Sue Edwards, Irene Ryan and David Slocovich.

Winning first place two years consistently entitles the high school to keep a Mary's Hour trophy.

Copies of the 1962 winning poster will be sent throughout the Los Angeles Diocese.

Mary's Hour will be held in the Coliseum May 6. The theme for 1962 is "Mother of Perpetual Help, Guide and Protect Your Children in Our Time of Need."

### Patterson Appointed To Position

W. R. Patterson has been appointed general superintendent of the Torrance plant, National Supply Division, Armco Steel Corpora-

**W. R. PATTERSON**  
... Superintendent

tion. This is a new position that coordinates the activities and functions of the operating departments—steel melting, foundry, forge, metallurgical, heat treat, machine shops, welding, field shop, and maintenance.

Patterson started in the assembly department in 1935, and later had service as a field engineer and then a sales engineer in the San Joaquin Valley. He was transferred to the metallurgical department in 1942, subsequently becoming chief metallurgist. He has been general superintendent of the steel department since 1949.

Douglas Allen, son of Mr. and Mrs. Richard Nolen, 4619 Ave. C, Torrance, March 23.

### South High School Snare Third Sweepstakes Trophy

Last weekend at the University of Redland's Speech Tournament, South's debate team brought home their third sweepstakes trophy by winning first place in competition against approximately 200 teams. John Brooks and Doug Foerster debated against a team representing John Marshall High School of Los Angeles, in the final round of competition. This win qualifies our debate team for the state tournament to be held in Santa Barbara, in May.

In individual ratings, considering all the tournament events, Doug Foerster in addition, placed fifth out of 950 students. Other South students rated high in individual events with the following receiving certificates of special distinction: Richard Vogl and Jan Harrell in humorous interpretation; Valerie Shidler in dramatic interpretation; Steven Fischer and Sherrie Farmer in Original Oratory; and Doug Foerster in extemporaneous speaking.

With over 100 schools represented, South took first place in debate and North High School won first place in individual events, these being the only first place events to be awarded to all schools represented.

**TORRANCE TEAM** — South High School won their third sweepstakes trophy for first place at the University of Redlands last weekend. Shown here are (left to right) Doug Foerster and John Brooks, who debated against a team representing John Marshall High School in Los Angeles. Winning this debate qualified the team for the state tournament in Santa Barbara during the month of May.

### Marina Amateur Radio Club Has First Election

A recent election of officers held by the Marina Amateur Radio Club named Mr. Hardy Glenn, (W6RZB) of Torrance, as president. The election took place at the club's regularly scheduled meeting this month.

Glenn began his "ham" career as a student in Tulsa High School in 1932 where he was one of a three man board of directors of the Tulsa ARC. Available courses at Oklahoma A & M and the University of Oklahoma served as his preparation for experimental development with an oil company in the Gulf states area and the west coast.

Active in radio circles since bringing his family to Torrance in 1954, Glenn's most recent venture is the establishment of a course in radio theory on behalf of

the Marina Amateur Radio Club.

Elected as vice president was Bart Billings, (W6CKT), who became known through the club's use of his call last field day. Carl Olson, (WA6AJD), retained his office of secretary-treasurer and the post of sergeant-at-arms went to Roy Hawker, (K6ARB).

#### COMMITTEES

Elected to the standing committees of the board were:

Steve Leasko, (WA6DUX), activities; Leo Bruce, (WA6DII), membership; Bill Gray, (WA6AWY), public relations; Don Eldred, (WA6KHO), Torrance, technical committee.

Marina Amateur Radio Club was founded in 1960 by a group of generals whose purpose was to provide facilities of assistance to those in need. Chartering themselves in open forum March 9, 1961, the club has just completed their first year.

Meetings are held the second Thursday evening of each month in the Field House, El Nido Park, 182nd and Kingsdale Streets, Torrance. Visitors are welcome.

#### SEAFOOD DINNER

Mr. and Mrs. George M. Foster entertained at a seafood dinner at the Marine-land Restaurant in Palos Verdes prior to his departure on a tarpon fishing trip to Carmen Island in the Gulf of Mexico. Mr. Foster is owner of the cliff-side dining establishment.
