Baptist Church Sponsors Group Training School

"The World's Greatest Sermon" will be the subject of the 8:30 and 10:50 a.m. message at the Narbonne Avenue Baptist Church of Lomita. This is another in the series of messages on "These Events Changed the World" by the pastor, Robert A. Wells.

"This message on the passage from Matthew's Gospel is called, 'The Sermon on the Mount.' No other sermon has been more revolutionary in its ideas. It is little wonder that it is called the 'World's Greatest Sermon.' It has been an influence that has changed the world," Mr. Wells will state.

The Lomita church will be host to a number of churches in a group training school for Sunday School workers.

The week of emphasis is of special importance to the Lomita congregation as the church plans to enlarge their Sunday School organization upon entering their new building in the near future.

NAT MONDATI FOR COUNCIL

I shall not subject you to fancy phrases—I believe in the time proven adage "ACTIONS SPEAK LOUDER THAN WORDS." If I were completely satisfied with the status quo in our community I would be sitting out in the audience, but since I am not, here I am. There are a number of issues I would like to bring up at this point.

To begin with, I would like to state that given the opportunity, I would attempt to bring to the council chambers a greater degree of HONOR, HUMILITY, DIGNITY and RESPECT. Those of you that have attended some of the meetings will agree that there is much room for improvement in this regard.

The next issue is my pet area. Before it is too late I strongly feel playground areas must be acquired for our many growing children. This should be done now while land is still available and the children are still young. I believe it to be a sound economical policy to expand and improve the airport facilities. This would create jobs and attract new industries to our city.

I will work with all interested citizens to develop a master zoning plan, one which would benefit the entire community. We must do everything possible to expand and improve our fire facilities and police protection.

PLATFORM

MONDATI is dedicated to:

1. Hold the line on taxes
2. Represent the home owners
3. Improve police and fire protection
4. Improve transportation service
5. Prevent rezoning of industrial lands to residential
6. Improve flood control in disaster areas
7. Stress economy in city administration
8. Secure playground areas for our youth before all undeveloped land is gone
