Long Beach Vikes Upset ECC Swim Team, 62-28

Even when the Warriors have one of their best squads in years, they can't cut it against their rugged Metro opponents. Long Beach City College pressed ECC into its third straight conference defeat last week, pulling easily away for a 62-28 victory.

Great swimming teams are a tradition at LBCC and this year's team was no exception as the Tribe readily found out. Although the Vikings have faced the ignominy, for them, of losing the circuit crown for the second straight year, they easily handled the Redmen.

Valley is a cinch to nab the loop championship after beating the Vikes with a win in the final event of the afternoon in their showdown meet last week.

Cappy Sheeley etched his name at little deeper in the El Camino record books against Long Beach, snapping the 200-yard individual medley mark. Sheeley churned the distance in 2:15.2 for a new college standard.

Sheeley also grabbed a third place in the 200-yard breaststroke with a 2:33.6 clocking.

The only other first places for the Warrior mermen came in the diving, where Bob Allred came through with his unusual winning performance, and the 200-yard butterfly, as Tom Viren stopped the clocks in 2:16.6.

El Camino Squad Leads Metro Gol

El Camino, which wrestled the Metropolitan Conference golf lead away from Santa Monica and Long Beach last week, drew a bye as the hectic race resumed Monday. Four teams are at Encino and Santa Monica hosts Long Beach.

Long Beach and Santa Monica had been tied for the lead until third-place El Camino whipped the Vikes, 41-13, and Santa Monica, 31-23, to assume control.

Harbor in 3-Way Metro Tie

Seahawks Matched by LB, San Diego at Top of Conference Baseball List

The Metropolitan Conference baseball race, retaining its format of closeness and weirdness last week, has another list of pivotal games scheduled this week with the meeting of Harbor and Long Beach at Long Beach headlining the slate.

Upstart Harbor, leading with a 4-0 record after two weeks, was jolted twice and fell into a three way tie for first with Long Beach and San Diego, which made a big move to keep its title by winning a pair.

Bakersfield, getting superb hitting and pitching, handed Harbor its first conference loss Friday, 8-0, when Floyd Thionnet gave up just three hits. Then Saturday George Culver struck

out 15 batters as the Renegades rallied to whip El Camino, 6-2. In both games George Mendiburu and Terry Craven hit well.

San Diego bombed Harbor Saturday, 10-1, after scoring six runs against East L.A. on Friday and coasting in, 14-3.

Meanwhile, on Tuesday, East Los Angeles, the Silky Sullivan of baseball, was behind by six runs to Valley and then surged back to knot the count, 10-10, in a game called in the eighth because of darkness. The battle is ruled a no decision and has been rescheduled as part of a double-header May 1 at East L.A.

El Camino kept Long Beach out of the conference lead Friday by scoring five times in the seventh and once in the bottom of the ninth to cop a 7-6 decision. Bob Brown doubled home Ed Beckwith with the winning run.

Heinis, Cook Vie For Top Points In Sunday's Race

Marvin Heinis of Sylmar and Jim Cook of Norwalk will continue their duel for the 1962 CJA stock car championship in this Sunday afternoon's nine event racing program at Western Speedway in Gardena at 2:30 p.m. when more than 50 cars and drivers will see action.

Heinis, by taking the feature win in his last outing, now has a 130 point margin going into Sunday's speed contest over the tricky one-third mile oval. He will steer a potent Oldsmobile, while Cook goes to the line aboard a Dodge.

While both Heinis and Cook have pulled away from the field in the point race, there are many battles for positions farther down the roster. "Wild" Bill Foster of Newhall has only a five point advantage over Venice's Gene Davis in the race for third position.

Sunday's program will feature a 30 lap main event, also a 15 lap semi-main, a 10 lap consolation, four eight-lap heat races, and a four-lap trophy dash. Time trials are slated for 1 p.m., with the first race at 2:30 p.m.

ELA Wins Nod Over ECC Gym Squad, 92-68

East L.A. rapidly improving after two consecutive defeats came away with a 92-68 decision over El Camino last week.

Only three first places fell to ECC. Denis Oliver earned top honors on the high bar and tied with Don Dewey for first place in the all-around category. Minnie Inouye picked off the third first for the Tribe, tying with the Huskies' Jim Sampson on the trampoline.

On his way to a tie for first in the all-around division, Dewey pulled in a second on the horizontal bar and took the place slot on the parallel bars, as well as earning a third on the trampoline.

Oliver picked up a second in free exercise and thirds long horse. Jim Blacic finished second in the rope on the parallel bars and climb, as did Doug Campbell on the side horse. On the rings, Inouye and Dave Werner finished second and third for the Tribe.

chairman; and Ralph Eye-stone, publicity.

EFFORT PLUS is put into the discus event by Roger Riley, El Camino College trackster, who, with Dale McCallon, is a one-two threat in Metropolitan Conference competition.

Warrior Swimming Squad Meets Bakersfield Friday

Record-breaking El Camino College treks northward Friday for Metropolitan Conference swimming finals at Bakersfield.

Seven college swim standards have already fallen this year. While the Warriors harbor no hopes of winning the conference team title, Coach Rudy Kroon expects

several of his boys to have a good chance for individual wins.

Cappy Sheeley appears to have the top potential of picking up a first for ECC. Sheeley co-holds, with Bakersfield's George Spear, one of the top clockings in the nation for the 200-yard butterfly.

Tom Viren, holder of the El Camino 440-yard freestyle mark, also appears to have an opportunity to win.

In the final Metro dual meet of the season on Friday, powerful Santa Monica, defending loop champ, whipped the Warriors, 62 to 32.

Despite the defeat, three Tribe records tumbled. Jim Graham churned the 100-yard freestyle in 53.5 for the first of the new college standards.

In the 440-free, Viren stopped the watches in 4:52.7 to break the record in that event for the second straight meet.

Jerry Stonier, Sheeley, Viren and Graham combined to break a 10-year old record in the 400-yard freestyle relay, clocking a 3:43.7.

Bob Allred came through with his usually reliable performance to grab a first place in diving for the braves. Allred also appears to have a chance of taking home a Metro title.

Steve Morgan, finally starting to live up to his potential, took a second in the 200-yard backstroke with a 2:20.8 time, his best clocking of the year.

Sheeley warmed up for the Metro meet by swimming the 200-yard butterfly in 2:10.0, while Stonier took a second in the 50-yard freestyle with a 25.3 time.

Holly McBride Sets Fast Time At Little Indy

Quarter midget racing at Little Indy, 190th and Normandie, got off to a good start last weekend.

"A" fast time was set by Holly McBride with Randy Brogden winning the trophy dash. Main event winners were Rusty Burkett, Gary Strong and Holly McBride. John Classen won the semi-main with Donnie Fair and Andy Eubanks coming in second and third. Junior semi-main went to Margo Pickering, Terry Barber and Gary Bernor. Heat winners were Mike Atwood, Vic Rasmus, Lester Starr, David Fair, Neil Banks and James Holmes.

Fast time in the "B" class was set by Lonnie Patterson. Jackie Hase won the trophy dash and also the main event. Lonnie Patterson and Hank Hamilton were second and third in the main while the semi-main went to Rippey Curry, Ricky Westlake and David Dawkins. Heat winners were Lonnie Patterson, Jimmy Bingham and Rippey Curry.

David Estey set the fast time in the stock class with Dick Crook winning the trophy dash. Main event winner was Fritz Hupp and Debbie Succa took the semi-main. The first special race went to Bobby Hancock and the second went to Debby Succa. Heat winners were Kenny Cope and Bobby Hancock.

Western has realized a total income of \$1,382,562 in seven years and more than 735,000 rounds of golf have been played there.

Western Avenue returns an average net income to the county of about \$80,000 annually, Supervisor Hahn said.

He pointed out that in 1961, the next revenue at Western exceeded \$127,000 and more than 130,000 rounds of golf were played there.

Jones Clashes With Foyt Saturday Night at Ascot

Parnelli Jones of Torrance and A. J. Foyt of Houston, two of the nation's leading race drivers, renew their duel this Saturday night in J. C. Agajanian's 40-lap United States midget auto race at Ascot Park.

Foyt, two time national big car champion and Indy "500" winner last year, and Jones, the 1961 national sprint car racing kinpin, will head the field of 35 drivers who will make their final appearance before heading east and next month's Memorial Day classic.

Foyt edged Parnelli in last Sunday's 100-mile big car race at Trenton, N.J. but in their last local midget meeting Jones took the measure of the Texas flash. That was back in December. Jones missed the March midget race due to nose surgery while Foyt was again second behind Roger McCluskey.

Also in the field is a third national champ. He's Jimmie Davies of Montecello, Ind., who has captured the national midget car crown the past two seasons. Jim concentrates on the small cars while Jones and Foyt compete in all types of racing.

Other drivers who figure in the thick of things include Billy Cantrell, Porky Rachwitz, Dempsey Wilson, Allen Heath, Tommy Copp, Chuck Hulse, Bruce Jacobi, Johnny Wood, Gene Brown and Bill Lloyd, a newcomer from Indianapolis.

In addition to the 40-lap main event, a three lap trophy dash, four eight-lap heat races and a 15-lap semi-main round out the racing program. Time trials start at 7 p.m. with the first race set for 8:30 p.m.
