Harbor College Presents First Three-Act Play Friday Evening

Dress rehearsals for Harbor College's first three-act play, "The Waltz of the Toreadors," Jean Anouilh were scheduled this week in preparation for the Starboard Theater presentation Friday night, April 27.

Giving up their Easter vacation, cast members have been working hard to polish lines and perfect acting techniques to get the utmost meaning from the sophisticated comedy.

EIGHT SHOWS

Eight performances are scheduled in the Starboard Theater on the Wilmington campus, April 27 to 29 and May 1 to 5.

The play, which won the Critic's Award in its Broadway production, is set in France at the turn of the century. It centers around an aging general recalling his past loves. The part of the general is played by Eugene Dynarski, star of many previous Harbor productions.

The part of the general's domineering wife is played by Jacqueline Smalley. Other cast members are James Schuler, Dianne Farnum, Kathie Hooker, Heather McKeag, Joe Rojas, Delray Gallwas, Charles Bean and Cherry Young. Reuben Plaskoff, drama instructor, is directing the play with the assistance of Lizz Glogovskan and Brian Hagen.

COMMENTS

Commenting on the play, Plaskoff said, "We try to bring to the students and public, plays which are not in the commercial vein. We like to select plays that will entertain and educate as well as provide an emotional experience for the viewers and actors. In the arena staging of our Starboard Theater we are proud to have presented plays such as 'The Lesson,' 'Krapp's Last Tape' and 'Oedipus Rex' that are generally not attempted by junior college groups."

All seats are reserved for all performances admission

is \$2 with high school students and ASO card holders being admitted for 25 cents. Tickets may be obtained at the Finance Office on campus.
