son Morelli Ballet Company. Reserved seats may be obtained free of charge for the program, which will begin at 8 p.m. Interested persons may contact board members of the Civic Symphony Orchestra or phone FR 5-2744.

May Festival of Arts Being Held For Fourteenth Consecutive Year

The Civic Symphony Musical Director, Elyse Aehle, is preparing the May Festival of the Arts for the 14th consecutive year. The Symphony-Ballet program will

be heard on Saturday evening May 12 at 8 p.m. at Redondo Union High School Auditorium.

The orchestra will play an unusual program which con-

ductor Aehle has selected from the works of Cherubini, Verdi, Bizet and Wagner.

Soloist will be Harry Nelson, flautist, who has played under the majority of the great conductors of the last decade and who has toured as flute soloist in England, Australia, Europe, Russia, and America.

BALLET

As is customary in the Symphony-Ballet programs, the second half of the concert will be devoted to ballet.

Wilson Morelli and his company will again be featured after an absence of several years. However, due to their great popularity and their interesting, exotic performances, this will be the third time they have been chosen to perform in the May Festival.

They will be seen this time in great moments from the classical repertoire and in a new ballet recently choreographed by Wilson Morelli, presented here for the first time.

NO CHARGE

There will be no admission charge for the program thanks to the generosity of the Los Angeles County Board of Supervisors, Supervisor Burton W. Chace, through the approval of the L.A. Co. Music Commission; the Performance Fund of the Recording Industries Through Local 47, A. F. of M.; President, John Tranchiella, the Redondo Union High School Dist. Mr. Ray Jones, and the Civic Symphony Assn.

Reserved seats may be obtained from any member of the Board or of the Civic Symphony Orchestra or by calling FR 5-2744.
