specifications. In the event that a bond is submitted, it shall be signed by the bidder and a duly authorized corporate surety acceptable to the Board of Supervisors.

PREVAILING WAGE SCALE:

Pursuant to the provisions of the Labor Cods of the State of California, the Board of Supervisors has ascertained the prevailing rate of per diem wages in dollars, based on a working day of eight hours, for each craft or type of workman or mechanic needed to execute the proposed contract under these specifications; and it will be required that not less than said rates be paid to all such workmen or mechanics employed or engaged upon the work.

The rates of per diem wages for each of the various classifications of work shall be the hereinafter set forth prevailing rates of hourly wages plus the hourly equivalent of any employer payments for health and welfare, pension, vacation and similar purposes multiplied by eight. Eight hours shall constitute a days work; it being understood that in the event that workmen are employed less than eight hours per day, their per diem wages shall be determined to be that fraction of the per diem wages herein established that the number of hours of employment bears to eight hours.

The contractor shall, as a penalty to the County of Los Angeles, forfeit then dollars for each calendar day, or portion thereof, for each workman paid less than the stipulated prevailing rates for any work done under the contract by him, or by any subcontractor under him.

Provided that overtime rates, rate of pay for Saturdays, Sundays and holidays shall apply to those holidays as recognized in the collective bargaining agreements applicable to the particular craft, classification or type of workman employed on the project.

Provided that notwithstanding the general provisions contained herein, Guards and Watchmen shall be paid one and one-half times the prevailing rate for overtime (overtime shall be time worked in excess of eight hours per week), and the straight prevailing rate for time worked on Saturdays, Su
