**TROOP 84**  
Girl Scout Troop No. 84 will participate in Arbor Day ceremonies at the South Coast Botanic Garden, Rolling Hills, at 4 p.m. Thursday when troop members donate and plant a tree. Donald Woolley, chief horticulturist, will register the troop's name in the Botanic Gardens records.

On Feb. 22 "Girl Scout Thinking Day," the troop hiked to the gardens and was taken on a tour by Mr.

Woolley. The girls are working for their second class badges and will receive them at a combination third birthday party and Court of awards, at the end of March.

Under the leadership of Mmes. Guy Warner and Robert Petrini, the following girls will receive badges: Margie Briley, Rebecca Burks, Candy Callen, Cynthia Hatfield, Laura Munoz, Crayle and Sherrie Myer, Barbara Petrini, Vickie Warner, Susan Wilkins, Diana Williamson and Debra Zuanich.

Girls who will fly up are: Kathy Kremen, Susan Mowry, Julie Ross, Debra Paterson and Brenda Goudini.

**GIRL SCOUT WEEK**  
Girl Scout Week is March 10 through 16. Each year, this "week" is designated as a means of encouraging members to re-examine the Promise and Laws by which Girl Scouts try to live, to inform the public of their activities, and to celebrate their birthday, which falls on March 12.

Each of the seven days in Girl Scout Week is set aside to concentrate on some one aspect of Girl Scouting, and many troops plan their activities around these facts of the Girl Scout program.

March 10 is Girl Scout Sunday in which girls worship according to the religion of their choice, with girls of the Jewish faith commemorating their beliefs on the preceding Friday. Monday is designated as homemaking day—Tuesday, citizenship—Wednesday, health and safety—Thursday, international friendship—Friday, arts and crafts—and Saturday, the outdoors.

In addition to their regular duties, Girl Scout leaders are going back to school this spring. In the greatest training effort ever undertaken by the organization, all troop leaders in Los Angeles Council are polishing up their present knowledge of Girl Scouting and learning some new ways of doing things. The fundamental principles of Girl Scouting remain the same as since its founding in the U.S. in 1912. However, the organization is striving to test continually from the beginning to end of the seven through seventeen age range in Girl Scouting.
