

Kennedy's Plan for Youth Called a 'Waste Program'

"It would cost less to send a boy to college than it would to put him into the Kennedy's youth conservation corps," I. Lee Potter, special assistant to the chairman of the Republican National Committee, said during a week-long series of West Coast speaking engagements.

Potter, addressing a 17th Congressional District Republican dinner, said administration aides have "scuttled their own make-work plans for American youths. Testimony of Kennedy men in the Department of Interior and Agriculture placed the cost of the Youth Conservation

New Business Helps Drive Of Red Cross

Influx of new business in the Torrance and Lomita areas will lead to greatly increased returns in the current annual Red Cross campaign, according to Charles Gots, 1625 Cabrillo Ave., small business chairman for the 1963 drive.

"Every new business should be given an opportunity to join with the rest of the community in supporting the many Red Cross services," said Gots. He said unofficial surveys yielded names and addresses of many newcomers.

A kickoff meeting was held where 15 prominent local businessmen and women received campaign assignments in the drive to raise \$1200 for Red Cross. Figures show that 20 percent of this quota has been reached.

Those who are working on business assignments include C. D. Verdon, Dean Barkdahl, Lou Schanger, C. E. Bowen, Mrs. Grace Wright, Matt Farrell, Jack Phillips, Walter Kronberger Jr., Cy Frank, Bob Sleeth, J. A. Beasley, Mrs. Mary Pagac, Mrs. Jackie Bush, Mrs. Alpha Larrieux and A. Warren.

'Automated' Octanes
Development of an automated engine for measuring the octane number of gasolines has been announced by Socony Mobil Oil Company, Inc. D. R. Lamont, senior vice president for research and engineering, said that the automated test engine will provide motorists with a more uniform gasoline quality than has been practical with present methods.
