

Harbor Nurses Honored by State Group

Two members of the Harbor Area Nurses' Assn. have been elected to State offices in the California Nurses' Assn., Mrs. Minetta Dorrough, president, has announced.

Mrs. Harold (Mary) Stanley, RN, instructor in Public Health Nursing, School of Nursing, UCLA, is president-elect of the state professional nurses organizations, and Mrs. Earl (Bernardine) Clark, RN, Harbor General Hospital's Director of Nursing, is chairman of its nursing administrators' section.

Mrs. Stanley, of San Pedro, and Mrs. Clark, of Long Beach, will serve two years in their respective offices as members of the Board of Directors. Both nurses have been active in local and regional profession and community nursing activities.

Mrs. Stanley received her masters at UCLA and, before assuming her instructor's role in January, 1960, was employed as a Public Health nurse in the Torrance Health Center. She was president of two local districts and a regional representative for the Educational Administrators Consultants and Teachers Section.

Mrs. Clark earned her masters at Long Beach State College, was assistant Director of Nursing when Harbor General first opened and is former Southern California Regional Representative of the nursing administrators' section, CNA.

'Cleopatra' to Benefit Handicapped Children

Handicapped youngsters of the Southland will benefit from a gala theater party featuring a special showing of 20th Century Fox's film extravaganza "Cleopatra" Friday, June 21 at the RKO Pantages Theater in Hollywood.

Sponsoring the event are members of the Crippled Children's Guild of Orthopaedic Hospital, with Mrs. Morton Grollman chairman, and Mrs. Donald Bassler as co-chairman. Honorary chairman is Jesse W. Tapp, Bank of America board chairman and member of the hospital's board of trustees.

WASTE RUBBER

Millions of miles of tire life are being wasted each year by motorists who mistreat their tires, according to engineers. Quick starts, short stops, high-speed turns, excessive speeds, improper wheel alignment, and other bad driving and bad car-care habits are causing premature tire wear and paving America's streets with wasted rubber.

100% Golden Corn Oil

Lowest in Saturated Fat

Scientific research indicates Liquid Corn Oil such as used in Fleischmann's helps reduce the saturated fat content of your diet!

Of the nation's leading margarines, delicious Fleischmann's is lowest in saturated fat. That's because Fleischmann's is made from 100% corn oil... with almost one cup of liquid corn oil in every pound. Ask your doctor how delicious Fleischmann's Margarine can help reduce the saturated fat content of your family's diet.

Fleischmann's also comes Unsalted. It's ideal for low-sodium diets. Get Fleischmann's Unsalted (Sweet) Margarine in the frozen food section.
