Each room is warmed to desired temperatures by hidden ceiling cables which are controlled by individual thermostats.

The electric kitchens feature built-in ranges, double ovens, automatic dishwashers, waste disposals and water heaters.

As an added touch, the Californian features an FM music system in each room, telephone outlets in the living room, kitchen and master bedroom, and a light dimming switch in the dining room, Jenkins pointed

Soundproofed and insulated, all units contain from 1100 to 1475 square feet of living space. Oversized garages and storage lockers also are available for each family, Jenkins said.

The Californian also contains two separate laundry rooms equipped with electric washers and dryers.

Ready for Hobbyists an ample supply in time of fornian has all the room and For hobbyists, the Calimost equipment for their activities, according to Jenkins.
