

W. F. KAZELSKIS

### Kazelskis Gets Top Job At Reynolds

William F. Kazelskis, 47, has been named manager of the Reynolds Metals Company extrusion plant in Torrance. He succeeds Charles C. Hudgins, who has been named manager of a similar plant in Grand Rapids, Mich.

Kazelskis, a native of Grand Rapids, joined Reynolds in 1946 at the Grand Rapids plant. He became manager in 1954 but resigned that position in 1957 to join another company. He returned to Reynolds two years ago as assistant manager at Torrance.

The new Torrance manager and his wife make their home at 1333 Corday St. They have four children, James Lee, 21, a student at Georgia Tech; Richard, 19, a student at the University of Georgia; and Jerry, 17, and Linda, 13, who live with their parents at Torrance.

### Local Optometrist Attends Conference

Dr. Eleanor Z. Thill, Torrance optometrist, is among those attending the fifth annual contact lens conference of the California Optometric Association today in Fresno.

An outstanding array of contact lens experts will cover the latest scientific developments in contact lens prescription and fitting. The event is the largest optometrically sponsored contact lens program on the west coast.
