

FOUR OF THE FIVE racers entered by Harvey Aluminum in the upcoming Indy race on May 30 are preparing for practice runs at the famed speedway. During the first week-end of qualifications, the car on the right, the Harvey Aluminum Special No. 82, driven by Masten Gregory of Paris, France, qualified at 147.517. The

second car in the line up, Car No. 83, qualified at 148.002, piloted by Duane Carter of Speedway, Indiana. The fifth car, No. 81, not shown in the lineup, is the lightweight Harvey Aluminum Titanium Special.

CALIFORNIAN DRAWS ACES AT HOLLYPARK

The \$100,000 added Californian, a race which in the brief span of nine years has assumed a prominent position among America's turf classics, will be contested Saturday, June 1, at Hollywood Park and again promises to lure a powerful field of handicap champions for the first of four "hundred-granders" to be run at the "track of the lakes and flowers" in Inglewood.

Heading the star-studded list of hopefuls attempting to emulate such Californian winners as Swaps, Hillsdale and Prove It is Crozier, Fred W. Hooper's outstanding contender for national "horse of the year" recognition.

A winner of more than \$600,000 during a brilliant career, Crozier was the "Pied Piper" at last winter's Santa Anita meeting, capturing the \$145,000 Big 'Cap as part of a sweep of four im-

portant stakes events. Among likely Californian rivals of Crozier are Alberta Ranches' Four-and-Twenty, winner of the 1961 Hollywood and Santa Anita Derbies and 1962 Santa Anita

Maturity; Vicgray Farm's Cadiz, New Zealander who upset in the '62 Californian; L. C. Sternberger's Doc Jo-coy, classy stakeswinner.
