Mothers of Twins To Install at Party

When Mrs. Andrew Meier, Jr. of San Pedro is installed as president of the South Bay Mothers of Twins Club Tuesday, June 17 at the Alondra Club in Lawndale, her first official duty will be to preside over the celebration of the club's fifth birthday party.

"Our little twins Kitty and Chris were just two months old, recollected Mrs. Meier warmly. "When I attended the first Mothers of Twins Club meeting in April, 1958.

The idea of having twins was still a novelty to Andy and me, as we were never told to expect twins two days before they arrived. We felt that being parents of twins was the most wonderful thing in the world so I was naturally delighted to share this feeling with other mothers of twins." Now five years later, Joan and Andy's family has grown along with the club. The Meier children are: Mike, 7 years; Kitty and Chris, 5; Kelly, 4; and little Andy III, 1 year old. A recent happy addition to the family is cousin Tommy, age 11.

Originally from New Mexico, Mrs. Meier moved to California during her teens. She attended Whittier High School and married Mr. Meier immediately following graduation.
