**ROY DALLAS STARS AS HACIENDA'S NEW MUSICAL HEADLINER**

Nightly music for dining and dancing has been added to the entertainment attractions of the San Pedro Hacienda.

Captain Roy Dallas, star of the Southern California nightclub circuit and a prominent San Pedro resident, will be headliner of an outstanding new musical trio which will be featured nightly in the Harbor area's only "Dining-Room with a View."

His reputation as a distinctive organ stylist is national in scope.

Typical music critic reviews rate his playing as "some of the most scintillating music you'll ever hear."

In addition to his celebrated musical talents, Dallas is one of the few merchant mariners in the entire world to be licensed as Captain for any ship, any size, any ocean. Roy was in nearly every campaign in the Pacific during World War II.

The Dallas Trio is conducting classes of great popularity every night but Tuesday high in the hills at the Hacienda.

**DATELINE . . .**

By Ted Stephens

Around we go — Dusk to dawn — hello Sunday morning — you were a long time getting here— Did you ever notice how long it is from 2 a.m. to just before it gets light out — especially on a Saturday night morning when it's almost warm and you wish the radio in the car worked — or you want to go home — but, you know that won't fulfill that empty feeling either— Yeah, it's a long time till dawn . . .

The pink woodmobile and I — what a pair — we almost forgot to mention the Downstairs Addition to NARDONE'S Pizza House. Angela told me about it a week ago — said it was going to be two or three weeks before it opened — so what do I see Saturday afternoon? — you guessed it — two weeks early Nardone's is now up and downstairs . . .

Fred Maddalone may expand his place — can you imagine what the Hollywood Riviera is going to be like with twice as much of that happy Irishman to keep things going . . . ?

A new sign will soon be erected — this to keep Palos Verdes Sinners off the front porch of the HUNTING HORN — it seems that there has been a little confusion at Hawthorne Blvd. and Silver Spur Road lately — no people, that is not a church — nor is connected with any UTTER enterprise dealing with the great beyond . . .

Are you troubled with halitoses — do you have concentric circles going 'beep' 'beep' 'beep' all around you? Just picture me meeting Sam Filippone for the first time — and right after meeting him he hands me an Oral B 4 Toothbrush — by way of starting a conversation about his new Steak Charbroiler — ? — I mean — oh well, lets try some other Avenue of approach — what you have to do is zig zag through two detour signs — park your automobile — get out — walk tippy toe up to the door — put a smile on your face — walk through
