WHAT'S DOING

R.S. Pyle, your Telephone Manager in Torrance

One item in your house contains so many substances it would make a chemist blink. Gold, tin, and anthracite coal, for instance. Sound like quite a mixture? Then add some nylon, rubber and steel. And a bit of copper, cotton and silver, too. Actually, these are just a few of over 40 raw materials used to make the 475 parts of your telephone. Makes the phone one of the most intricate appliances in your house. Yet one of the most reliable.

Travel tip: After you reach your vacation spot, call the folks back home. They will be glad to know you arrived safely.

Now that you can dial your own Long Distance calls with Direct Distance Dialing, Area Codes are a good thing to keep in mind. Here's how they work. The nation, like California, is divided into calling areas, each with its own Area Code. When you dial outside this area, the three-numeral code directs you to the area you're calling. Area Codes are the key to this fast and convenient Long Distance service.

Heard this story about the sheriff of a small town who is also its veterinarian? Late one night he got a frantic phone call. "Do you want me as sheriff or vet?" he asked. "Both," came the reply. "We can't get our dog's mouth open, and there's a burglar in it!" (Just goes to show that the telephone can sure be a help in unusual situations.)

If you're driving through wooded areas this summer, you'll see plenty of Smokey the Bear signs, for he's hard at work reminding everyone to be extra careful with cigarettes, matches and campfires. With your help, Smokey will continue to do a fine job of preserving our country's forests.

BRAVE DUO — Gary Hulse, at left, was starting pitcher and sixteenth-inning home run hitter to win game. Jerome Kurtik, at right, was winning pitcher who shut out Tigers in the last four innings. Game was for Tordondo championship.

Quinn's Dairy Takes Title After 16 Innings, 2 Days

It took 16 innings, four hours and 25 minutes, and two consecutive Sundays until Gary Hulse hit a home run with a runner on base for the Quinn's Dairy Braves to win the Tordondo Little League championship of the Marina Federal Savings Tigers, 5 to 3.

Hulse took this dramatic moment to hit his only home run of the season. He is one of Tordondo's fast-balling pitchers and is one of their hopefuls on the All-Star team. He had been the Braves starting pitcher, and had given up the only three runs in the first three innings. Since then, no pitcher on either side had given up

TORDONDO'S BATTLING ballplayers—Tigers on the left and the winners of the 16-inning championship playoff—the Braves—on the right.

a run for fifteen and a half innings of play.

Hulse had been followed to the mound by Tony Kelich for six innings, and Jerome Kurtik for the four final innings and the win. The Tigers had started with Bruce MacEachern for six innings, Donnie Cowden for five innings and finally Greg Keister for five innings. All but Cowden are All-Star players.

It was MacEachern for the Tigers and Kelich for the Braves who had driven in the runs for each of their

team in the first three innings.

Then came 13 more innings of tight championship baseball until Hulse's big blow. All spectators agree that there were two teams of champion ballplayers on the field.

MINOR LEAGUE DOINGS: Jensen's Rentals Red Sox edged the Taylor-Gibson Construction Giants, 9-8. Mark Willie pitching for the Sox gave up eight runs in the first three innings, saw his team behind 8-5, gritted

his teeth, and then pitched scoreless ball for the last three innings. Hits by Paul Ricketts, Bobby Dunn, Larry Allan and Larry Keene, all in the fifth inning accounted for four runs and the victory.

CORONARY ODDS

The average, presently healthy, middle-aged white male has been estimated to have one chance in five of developing coronary heart disease before he reaches the age of 65.
