SWINGING DOWN A LANE

Stopped by to see Pat Forrester at Palos Verdes the other day, three weeks ago they were burning up the lanes, then all of a sudden nothing, so I thought I would go and see what put the fire out. Pat apologized for not calling me, said she was short-

handed, vacation time again. We looked thru the recap sheets and found out that the Ladies Major Trio has not cooled off. Barbara Brugger rolled a 200, Rose Butcher 200, 201, Wilma Golden 201, Elaine Mieray 201, 210, Elaine Whittier 205, June Burke 212, Dee Rudy 205, 215, Mary Wrase 216, Connie Montgomery 222 and Shorty Schaffer 224. In the Mixed Four League Dot Allee came up with a 201, Marge Raymond 206, Mac Prete 121, Monty Moxey 215, Art Tiens 221, Ron Kurz 231 and Will Leifhelm 203 and a 623 series.

In the Mens 550 Scratch, Ken McKenzie started off with a 210, followed by Verg Stedhams 215, Howard Peabody 219, Earl Reed 234, Pat O'Connell 247, 203, 233, 208 for a nice 891 four game series. Lou Kohlmer 223, 237, 179, 212, 851 series. Art Jackson 170, 223, 226, 179, 801 series. Ed Zuber 747. Congratulations gentlemen, you are keeping those lanes real warm.

HAPPY SIX

Monday 6 p.m. Post Office league:—Jim Knod rolled a 219, 212 for a 629 series. Some 200 games from the Happy Six, Duaine Kidwell 202, Jim Pabst 203, Vern Sperling and John Styer 208, Dick Goodwin 209, Al Ganulin 212 and Al Navarro 228.

Frances Niccum bowling with the Pin Topplers had her first 200, Bud Wehnes 203, Herb Gould 218, and Dick Bell 202, 203, 202 for a 607 series. Mary Lightfoot bowling on Mon. night with the Halos received congratulations from her teammates for her first 200 game.

Over at Bowl-O-Drome they won't let the lanes cool off either, some mighty fine over 200 scratch scores to report. Louise Irving was going to show every one she was in top shape so she rolled a 236, Gennie Brandt would not stand still for that. She watched her timing, made sure her left foot and right hand reached the foul line at the same time and came up with a beautiful 243. Bobby Peterson just could not let this happen, so what does she do, she rolls a 245. Aggie Brown, wife of my good friend Gordie Brown, founder of the National Bus-E-Boy Services, who is doing such fine work for the handicapped and overaged people, could not let this roll by without de-

ing something about it, so she did a two-pin jump, making it a 247. Congratulations, gals, for some outstanding bowling. For their first 200 games, Mary Fonti rolls a 205, Ruth Tymiec 223 and Beverly Booth 200. For her first 600 series El Jones rolled a 610 scratch. Millie Wilhoit went up the ladder with a 131, 132 and a 133, and Chuck Vorhees had a perfect Dutchman game of 200. Mens Hi game goes to Nordy Abrams for his 255.

A SHINING SERIES

In the Tues. Mixed Doubles four game series, Bobby Petterson was shining with a 869. Gene Marchese made the light a bit brighter with a 903. Congratulations gentlemen.

In our Junior Dept.: On Aug. 24, The National Fifty and Over Bowling Club in conjunction with Rose Lanes Bowl in Gardena, will hold the semi-finals for the 1963 Junior Open Classic at 1:30 p.m. Each boy will have a character reference from someone outside the family, also they will write an essay on sportsmanship, this will be very easy for these boys to do, because the boys who have entered this tournament from as far away as San Diego, are of the highest character. Last week's winners in the A division were Lou Mathews with a 612, Lou is from San Diego, is a junior at Herbert Hoover High School, his highest game to date is 280, high series 748. Ted Teske from Airport Bowl rolled a 611 series, Ted got away before I could get any information on him.

INTERESTING MATCH

This was a very close and interesting match between these boys, Ted finished first, Lou knew he would have to roll a 187 game to win by one point and that is exactly what he did. First place in B division went to Dave McNalley with a 589 series. Dave attends Leuzinger High School, is in the 11th grade, likes to play tennis, but bowling is his favorite sport. His high game to date is 235, high series 604. Second place, B division, goes to Jim Bundgard from Wonder Bowl in Downey. He attends Downey High School. High game so far 233, high series 583.

The National Fifty and Over Bowling Club had a full house at the Card Party at Tony and Wanda Kowalczyk's home. Pinochle and hearts were played. Lovely prizes were awarded to the high scorers, along with refreshments. Anyone interested in joining this bowling and fun club, please contact the NFAOBC at 325-2233.

Jr. Frogmen

Ready for Meet

Boys and girls throughout the Southland will converge at John Anson Ford Park Pool, Aug. 24, at 6 p.m., for the 6th Annual All-County Junior Frogmen competitions, reports Supervisor Ernest E. Debs.

Participants will compete in two age divisions. These include Explorers (10-12 years) and Rangers (13-15 years). Five hundred junior frogmen representing municipal recreation agencies, youth groups and county pools are expected to compete.

The meet is sponsored by the county department of parks and recreation. Entry fee is \$1. For additional information call county parks, aquatics unit, RI 9-6911, extension 587.

Wayne Bantau Gets Promotion

Airman Second Class Wayne M. Bantau, 4247 W. 182nd St., has been promoted to airman first class in the 222nd Radio Relay Squadron of the California Air National Guard in Santa Ana.

As part of his training, Bantau attends one weekend drill each month at the Air Guard facilities, located at the Marine Corps Air Facility in Santa Ana. He also attends two weeks of summer training in the field with the 222nd as part of his six-year federal service obligation.

Bantau is currently employed by the Torrance Unified School District as a teacher at North High School.

The 222nd is a component of the 162nd Communications Group (mobile), at North Highlands.

CALIFORNIA SPEAKS

OREGON GOV. MARK HATFIELD, in S.F., on Kennedy administration — "We have had 2 1/2 years of hesitation waltz, of government by guess and by gum."

DR. W. O. REINHARDT, U.C. Medical dean — "We are being increasingly challenged by superbly trained students, much better prepared for higher education than in the past, literally pushing the faculty. This is a tremendous stimulus to everybody."

CHARLES F. RICHTER, Cal Tech seismologist — "Saying that we are overdue for a great earthquake in Southern California is true, but it has about the same flavor as remarking that we are overdue for a few years of normal rainfall."

DR. JAMES A. RUDIS, S.F. engineer turned physician at 55 — "Never retire, keep on working. If you want to do something, do it."

BEACH PARTY

Torrance Ladies of the Elks will hold a beach party Saturday at Huntington Beach State Park. Members and guests have been asked to bring food and wood. Mrs. Tony Alonze, social chairman, is in charge of activities. Persons desiring further information are asked to call her at DA 6-4985.
